# S. A. MAN HELD FOR ATTEMPT TO SLAY ANGELENO

## BATTLE IN HOUSE FOR T.R. ARMY BEGINS

Bill Empowering Colonel to Raise Force As Part of Guard Introduced

PRESS GAG IS PLAYED BY SENATOR JOHNSON

Former California Governor Says He Will Not Follow Wilson to Autocracy

WASHINGTON, May 11.—Marking the first step in the house fight on the part of Colonel Roosevelt's friends for the reincorporation of the Roosevelt amendment in the army bill, Representative Hulbert of New York today introduced a bill empowering the former president to raise a division as part of the National Guard.

The introduction of Congressman Hulbert's bill followed the presentation of the conference report in the house by Chairman Dene.

Colonel Roosevelt's fight to lead an American force to France is going right on. The unfavorable report by the house and senate conferees on the Roosevelt division amendment of the army bill will be answered by Republican senators on the floor. These men plan to fight for its reincorporation in the selective service measure.

Johnson Flays Press Gag

Senator Johnson of California today unsparringly flayed the censorship clause in the spy bill, declaring that it "puts a premium on false publicity, makes a crime of the truth, and is a buttress behind which inefficiency and incompetency can stalk."

"I will follow the President in conscription, etc., but not into autocracy," said the former governor of California.

The selective service bill as agreed upon by house and senate conferees will raise 1,200,000 men immediately.

The President is authorized to bring the regular army and the national guard up to full war strength—about 250,000 and 440,000 respectively.

Apply Draft Later

This will be done by employment of the volunteer system until such time as the President feels that means inadequate—then he may apply the draft.

The bill empowers the President to draft immediately 500,000 males, not exempt under the law, between the ages of 21 and 30 inclusive for military service.

All males between these ages must register under penalty.

Boards will sit at points throughout the country to pass on exemptions.

In addition to the first 500,000 troops, the President is empowered at any time to raise 500,000 more men by the process outlined above.

Those exempted from draft under the laws are soldiers and sailors now in service, divinity students, members of well established religious sects whose creed opposes war and certain specified skilled workmen.

Others Exempted

Others exempted are those having persons dependent upon them for support and those found to be physically or morally deficient.

Married men as a class are not exempted. They are exempt only if they have persons dependent on them for support.

The entire national guard together with its reserves can be drafted into the regular army under the bill.

Under the measure, intoxicants cannot be sold to a soldier in uniform, but he can be given liquor if he is off the military preserves.

The secretary of war is authorized to take necessary steps to prevent establishment of disreputable houses within such distance of military establishments as he deems necessary.

## War Parley Ends Envoys to Leave Date Kept Secret

HERE is Marshal Joffre, known to the poilus of France as "Papa" Joffre. The hero of the Marne is noted for his smile, which the photographer succeeded in catching. Marshal Joffre was accorded an overwhelming reception in New York.

## Ally Mission Highly Pleased With Result of Conferences Held In U. S.

BY GEORGE MARTIN  
(United Press Staff Correspondent)

NEW YORK, May 11.—Having practically completed their task of showing America how it can best help the European allies win the world war, the French and British battle missions will join forces here tonight to commemorate the historic parleys in a national farewell reception at the Waldorf hotel. The war commissioners are going home.

No one knows for publication precisely when or how. Minister Viviani of the French commission and British Foreign Secretary Balfour of the British party will return with their staff to their home governments. The day of departure is not far distant.

Both commissions have privately expressed themselves as highly pleased with the results of the world war conference, in which they have taken part during the last few weeks. They feel that America has everything they need, and has given, or arranged to give, everything they have asked.

Both groups return home with America's cash to hand, with the promise of food, munitions and shipping at once—and fighting men as soon as may be.

The triangular conferences are believed to have practically completed a system of anti-submarine warfare which will wipe out the submarine menace. This is understood to be the co-ordination of the system in effect before America got in, and the addition of certain secret American inventions.

Perhaps the biggest event on today's program is Marshal Joffre's visit to the military academy at West Point. There the hero of the Marne will review the cadets.

## STEPHENS SIGNS TWO URGENCY WAR BILLS

SACRAMENTO, May 11.—Two of the three urgency measures passed by the legislature and occasioned by the declaration of war were signed this week by Governor Stephens. They were Luce's bill permitting private water companies to serve the public in time of war without being subject to public utility regulations, and the Gates' bill permitting the state board of education to suspend school during the time a state of war exists. The third measure, the bill to create a state defense guard of 7,000 men at an expense of \$1,000,000 has not been signed.

The Luce bill is for the purpose of making available a greater quantity of water for irrigation purposes. The Gates bill will make it possible, should occasion arise, to dismiss the schools and have the pupils give attention to production of crops.

## GIRL, 13, IS HELD FOR SLAYING OF PAL

Accused Believed By Police To Have Shot Chum In Love Quarrel

SUICIDE PACT ALSO HINTED IN CHICAGO

Several Conflicting Stories Told By Alleged Young Murderess, Is Claim

CHICAGO, May 11.—Doris Anderson, 13 year old school girl, awoke in a cell at the South Clark street police station today, a murderess, in the eyes of the police. They believe she shot and killed Grace Hagemann, 13, her chum, in a quarrel late yesterday over the love of Reinhardt Fleck, 14 year old school boy. Either that, or she entered a suicide pact with her playmate, then became frightened when the time came to end her own life.

Doris declares Grace shot herself and that she struggled to prevent her. The police say she has given them several conflicting versions of the shooting. The little girl has remained wonderfully calm since her arrest.

Killed In Arway

Grace was killed in a basement arway on the West Side about dusk yesterday. A revolver bullet struck her in the back, passed through her body and came out through the right breast. She died without regaining consciousness. Doris was the only witness to the shooting.

Mrs. Louis Gum, at whose home the shooting occurred, heard the shot and ran to the arway. Doris was standing over the body of her chum. Mrs. Gum said she did not see a revolver.

"Grace has killed herself," Doris cried. "I tried to stop her. I'll run for a doctor."

Mrs. Gum carried the wounded girl into her home where she died half an hour later.

Police Sergeant Beelan found Doris walking along a street several blocks from the shooting about an hour after, toward the South. At the station the matron found two revolvers in her waist. In one of them was an empty shell.

Girl Tells Story

"We wanted to scare Reinie Fleck," said Doris, "and I happened to mention that my papa had a revolver. I took it out of a bureau drawer. Grace wanted one too, so she borrowed one from Guy Gum. It was all rusty and the trigger was broken."

"We dropped into Gum's yard for a moment. Grace had the loaded revolver then. "I'm going to shoot myself," she said. I began to scream and she pointed the revolver at her head. There was a struggle and I pulled her arm behind her back. Then the gun went off. Grace sank to the ground and held out the revolver. "I've killed myself," she said. "Here, take this."

The police declare there were no powder marks on Grace's clothing and from the position of the wound she couldn't have shot herself.

## PLANT SORGHUMS, IS COUNSEL TO FARMERS

BERKELEY, May 11.—"Plant sorghums,"

That is the advice of the University of California to the farmers of the state.

Two-thirds of the food used by the average American household is of animal origin. Therefore, the raising of food for livestock is one of the great problems now before the country.

Sorghums, the University experts believe, form the solution, or at least a partial solution, for the problem. Prof. Madison and Gilmore of the University point out that sorghums have the advantages of growing in hot, dry climates, can be planted in any good average soil to May 1 on unirrigated and to June 25 on irrigated land and produce an excellent yield of high nutritive value.

## Slav War Plant Workers In Revolt District Is Planning Separate Republic

This photograph of thousands of Russian revolutionists before the Kazan Cathedral was taken just before the soldiers were given an order to fire into them. It was the crucial moment of the revolution. The soldiers laid down their arms and walked over to the crowds and cheered for freedom.

## HAIL OF DEATH HALTS TEUTON FLAME DASH

Haig's Grip On Bullecourt, Lens Tightens; Allies Gain In Macedonia

LONDON, May 11.—Fierce Teuton counter-attacks in Macedonia, succeeded in capturing a foothold on the wings of the allied positions, although the Teuton center was pushed back, it was announced today.

LONDON, May 11.—Vigorous German attempts to shake Field Marshal Haig's grip on Arieux positions and lines to the south of the Souchez river were all repulsed. The British commander in chief reported today.

British artillery and machine gun fire stopped the enemy's assaults. Around the Souchez sullen the attack was repeated a second time, with liquid fire employed by the Germans, but it was likewise repulsed.

Bullecourt and Lens were the two points most menaced by the British offensive today. Bullecourt is almost completely surrounded. Lens is more than half encircled, the British gaining every hour, yard by yard, to the south. The fighting at both places is intense. At Fresnoy there were indications that the force of the British offensive was slowly wearing down the resistance of the Germans.

But while this greatest of allied offensives was in progress on the western front, dispatches today detailed the successful start of another "major push," in which British troops are participating. This is in Macedonia. British, French, Italian, Russian and Serbian troops under General Sarrail have started their long expected advance.

Some gains were made on a front of two miles, but one mile long section of trench was retaken by the enemy.

## FRENCH SMASH FORWARD IN CHEVREUX REGION

PARIS, May 11.—Another advance by the capture of a German position in the region of Chevreux was announced in the French official statement today. The gain was held despite violent counter attacks.

The war office said this gain was achieved yesterday evening.

There was heavy cannonading in the region of Cerny and Hurtelise. Several attempts by the Germans to raid French trenches were frustrated by heavy shell fire.

## EAR IN POCKET MAN'S EVIDENCE OF ATTACK

LOS ANGELES, May 11.—Carrying his ear in his pocket as "exhibit A," Rivoza Miskowitch appeared at police headquarters today and asked that two acquaintances be arrested for biting off one of his auditory appendages in a free-for-all fight. As a result, Mike Zelo and Martin Zalich are in jail, charged with mayhem.

## Petrograd Chiefs Rushing to Schisselberg to Prevent Carrying Out of Plans

WASHINGTON, May 11.—The President has completed the personnel of the commission which will go to Russia for this government to assist the provisional government of the former empire of the czar.

The personnel will be announced, probably today, as follows: Elihu Root, Cyrus McCormick, C. R. Bertrou, New York banker.

James Duncan, vice president of the American Federation of Labor.

Dr. John R. Mott.

Charles R. Crane of Chicago.

Twelve members of the workmen's and soldiers' committee were named to plead with the revolting forces for restoration of order.

In addition, Tscheldse, leader of the social-democrats in Russia, personally hurried over to the munitions district to aid.

The Schisselberg is a district of Petrograd, lying down the river a short distance. It corresponds, in a measure, to the industrial section of New York's east side.

General Scott and Rear Admiral Glennon have been added to the commission, which represents every American class.

## CLEANS UP 2 MILLIONS IN WHEAT PIT DEALS DURING FEW WEEKS

CHICAGO, May 11.—May wheat today opened at \$3.18 and went to \$3.20. July wheat reached \$2.54 and September \$2.09.

Jesse Livermore, who joined the board of trade last month, is reputed to have made \$2,000,000 in May wheat, which is now at the highest mark in history.

Joseph Leiter, who with his father, is said to have lost \$10,000,000 in trying to corner the world's wheat supply in 1898, is estimated to have made \$3,000,000 in wheat pit operations during the past few months.

June meeting of Socialists at Stockholm.

This Stockholm conference is being regarded more and more here as Germany's most carefully plotted move for a separate peace with Russia. The extreme wing of the Socialist party in Russia is flatly on record against the meeting and its members are endeavoring in every way to spread to the people and among fellow Socialists here, "that the conference is German inspired, German aided and will probably be German controlled."

Those behind the plan insisted the conference was not identified in the slightest degree with the

## HUSBAND IS CAUGHT AS VICTIM IS DYING

Allege Painter Jumped Out of L. A. Doorway, Cuts Throat Of Wife's Companion

ATTACKER IDENTIFIED IS ANGEL CITY WORD

U. L. Judd of 816 W. Third Is Accused In Sensational Los Angeles Affair

Word from Los Angeles this afternoon was that Joe Rudee, for attacking whom U. L. Judd of Santa Ana is being held in Los Angeles, is in a precarious condition at the Receiving Hospital, Los Angeles. He is barely able to talk. It is believed that jealousy actuated the attack on Rudee.

Identified as the man who this forenoon jumped out of a doorway near the corner of Fourth and Wall streets, Los Angeles, and slashed the throat of Joe Rudee of Los Angeles while Rudee was walking with Mrs. U. L. Judd of 816 West Third street, Santa Ana. Mrs. Judd's husband is in the Los Angeles city jail, facing a charge of assault with attempt to commit murder.

Rudee, bleeding profusely, was rushed to the Receiving Hospital in Los Angeles, where it is stated that he has a fair chance for recovery.

Judd, a painter, was arrested this afternoon. The information that he was identified as the man who cut Rudee's throat was received from Los Angeles.

Should Rudee die Judd will be charged with murder.

Sheriff C. E. Jackson today stated that he has a remembrance of Rudee having been the victim of a mysterious attack in Los Angeles several weeks ago and that Rudee refused to make a complaint against anyone at the time.

Inquiry among neighbors of the Judds revealed today that Mrs. Judd had left the residence at 816 West Third street Tuesday and that her husband had left Wednesday.

The Judds have three children, the eldest, a boy, attending intermediate school.

Rudee owns a ranch near Santa Ana.

## 3 POLICEMEN NEEDED TO ARREST SOLDIER

LOS ANGELES, May 11.—A number of police officers at the central station are satisfied with the fighting qualities of the United States army.

Three husky patrolmen were necessary to bring M. J. Seville, a regular soldier, who was found in an intoxicated condition, to the police station. At the station he began another fight and four officers were badly damaged before Seville was subdued.

Seville was later turned over to the army officers.

## GERMAN PRESS LAUDS SOCIALIST CONCLAVE

COPENHAGEN, May 11.—German newspapers are enthusiastically "press agending" the so-called Socialist conference at Stockholm. This is regarded as convincing proof that the conference is German inspired, as German papers acted similarly before Imperial Chancellor von Bethmann-Hollweg's "peace offering."

## DRAFT CHECK EXPENSE BORNE BY COUNTIES

SACRAMENTO, May 11.—Assurances have been given that the state council of defense by many of the counties, it has been announced, that the expense of handling registrations under the selective service bill will be carried by the county as a patriotic contribution. The hope is expressed that all counties will follow this lead.

County councils of defense were asked Tuesday by Director Merritt of the state bureau of registration, to hurry along plans for handling the registration in their respective counties.

## AT THE COURTHOUSE

GARCIA GUILTY  
HIS SENTENCE  
WILL BE LIFEJury That Tried Slayer of  
Molino Brings In Verdict  
Fixing Penalty

The jury that tried Jacinto Garcia on a charge of murdering Reyes Molino on April 25, 1909, brought in a verdict of guilty in the first degree and fixed his punishment at imprisonment for life.

Formal sentence will be passed by Judge West at 9:30 o'clock next Tuesday morning.

"What prison is it?" asked Garcia when George Law, interpreter, had told him what the jury had decided.

It will be for Judge West to determine which prison shall receive Garcia.

The Garcia case is one of the most unusual recorded in the history of the county. Not only was the killing marked with cold-blooded deliberation, but the circumstances that brought Garcia to jail and trial were not of the ordinary.

Reyes Molino was a member of a well-known Spanish California family that had lived around Santa Ana and Tustin for years. Molino was a tall man, built like an athlete, and was out of the hospital but a short time and still weak when at a Lincoln street house on the afternoon of April 25, 1909, oc-

curred the quarrel in which Garcia threatened to kill Luis Manzo and Molino before sundown.

Within an hour Manzo was shot several times by a son of Garcia. Molino did not die. Soon afterward Molino was waylaid and killed on the Santa Fe railroad track near Santa Clara avenue. With a rock the size of a man's two fists, his head was beaten in. He was left on the tracks dead.

Garcia and his son escaped to Mexico. A few months later the son was brought back from Juarez, was tried and sent to the penitentiary for the attempt to kill Manzo.

Years went by. Word got out that Garcia would not be prosecuted. In fact, he was in jail once in Imperial county. At that time witnesses were so badly scattered that it was concluded by the authorities here that it would be useless to try to prosecute Garcia. He was turned loose.

One night Officers Cook and Dean were fired upon from ambush as they were taking a prisoner away from a Mexican disturbance.

A few nights later about 2 a. m., Officer Dean stopped two Mexicans. One of them made a movement as though to draw a revolver, and with-out taking any chances Dean brought his club down on the man. As he was putting the handcuffs on the Mexican he had felled, Dean recognized Garcia.

At the jail Garcia muttered words that were taken as a threat that he would kill Dean.

With Garcia in jail, an investigation showed that the witnesses were available, and it was decided to prosecute him. The evidence turned out to be very strong, stronger even than was developed at the coroner's inquest eight years ago. Garcia was not put on the stand.

Deputy District Attorney Koepsel made the opening argument for the prosecution and District Attorney West closed. Attorneys Chapman and Priscilla Randolph of Los Angeles defended the Mexican, and each addressed the jury.

The case went to the jury last night about 5:20 o'clock. Within twenty minutes the jury reported, Foreman W. D. Barker reading the verdict.

## Gives Up Name

This morning an order was signed for the dissolution of the Citizens Commercial & Savings Bank of Santa Ana. This bank was recently merged with the California National. S. M. Davis was attorney for the petitioner.

## Becher Is Sued

Today the Battle Creek Consolidated Dredging Co. brought suit against F. C. Becher for \$401. Becher is alleged to be owner of 8,000 shares of the plaintiff's stock. It is declared that he owes \$401 assessment.

## Names Appraiser

State Appraiser J. N. Anderson has been appointed to appraise the estate of Thomas Yates.

## For Foreclosure

Suit to foreclose a \$5,000 mortgage has been brought by Frances P. Bonham against W. J. Chambers. Property at Westminster is concerned.

## Given Two Years

Dan Goodan of Fresno today was given a sentence of two years in Folsom. Judge West selected Folsom because Anderson, who was considered the leader in the theft of an automobile at Anaheim, is in San Quentin, to which place he was sent to serve a five-year term. Judge West inquired in detail into what Goodan had been doing for the last three or four years. Goodan was hazy in the outline. He worked here and there, and only once in a while was he able to remember just why he left one job and went hunting for another. When Goodan was tried he declared that his pal, Anderson, who was brought here to give testimony, was the one who stole the automobile. The two were arrested at Fresno.

## Custody of Child

In the juvenile court today Judge Thomas awarded the custody of Lois B. Dille, a minor, to her father. During the hearing, Judge Thomas incidentally gave some of his views upon the divorce question:

"I do not believe that absolute divorce ought to be granted for anything except adultery," said he. "There might be allowed a legal separation for other causes, but no divorce."

## Pleads Guilty

William Hastings, Jr., a youthful adventurer, pleaded guilty to giving a \$5 no-fund check to B. H. Blanchard, a barber of Santa Ana. Judge West set 9:30 next Tuesday as the time for passing sentence upon Hastings.

## For Administration

Public Administrator Winbiger has asked for letters of administration upon the estate of Annie Lalonde, who died on April 28. The estate, valued at \$2000, will go to the widower and several children. G. H. Scott is attorney for the petitioner.

## Final Decree Given

Today a final decree of divorce was granted Beatrice Fuller against Chas. Fuller. By the order, the plaintiff is allowed to resume her maiden name, Beatrice Stockton.

## SEE BIG WALNUT CROP

LA HABRA, May 11.—The walnut growers in this district are predicting that the crop for the coming season will be a banner one. The walnuts are set in clusters of two and three to the cluster. The foliage is unusually uniform and the fungus, the appearance of which results in the June dropping, is almost entirely absent from the trees.

What the price will be no one knows but it is probable it will be higher than last year which was set at 15 1/2 cents.

**BELL-ANS**

## WINTERSBURG

WINTERSBURG  
SUGAR BEETS  
GIVEN WETTINGBetween Head-on With Auto  
and Smash With Wagon,  
Wagon Is Taken

WINTERSBURG, May 11.—The sugar beets are happy, likewise the farmers over the generous rainfall of Wednesday night and Thursday morning. The men who had hay down might not be so well pleased, but they are in the minority. The showers will mean heavier and better beets and incidentally more money to the growers.

## Bump of Auto

Mr. and Mrs. George Gehart narrowly averted a serious accident Saturday when returning from the Sunday school convention at Huntington Beach. While attempting to pass a wagon with a load that projected out over the sides, an auto going in the opposite direction at a high rate of speed, dashed from in front of the team. The only choice for the Gehart car was a collision with the auto, or to run into the wagon. The latter was decided on, and while the machine was badly damaged, neither of the occupants was injured in the least. Early Monday morning the car was in the garage for repairs and may be seen now on the boulevards apparently as good as ever.

## Pleasant Affair

G. M. Roberson was host at a dinner party to the president and appraisers of the La Balsa Farm Loan Association, and carried off the honors in first class style. Mrs. Roberson was away for a week's visit, so he prepared and served the dinner. Those present were Andrew Worth, Earl Farner of Wintersburg, F. P. Walker of Talbert and W. B. McCoy of Westminster.

## Splendid Meeting

The Queen Esther Circle had a fine meeting Tuesday evening at the home of their leader, Mrs. A. H. Moore. Each member was privileged to invite one guest, and the program was announced as a school. Four subjects were taught, Mrs. Moore as teacher—Arithmetic, history, English and geography. The lessons assigned had been well mastered by the girls of the circle, all questions and problems being related in some way to the work of the Queen Esthers. When half of the lessons had been recited, recess was announced, and at the conclusion of the others, came noon, with a regular school lunch. This recreation period was followed by a program. Miss Eva Murdy and Miss Viola Walton gave readings, Miss Marie Frenger, a vocal solo, and one of the guests, Miss Hazel Horn of Huntington Beach, favored the company with a piano solo.

Mrs. James Haptonstall and her brother, Ray Shaffer, gave several corn and piano selections at different times throughout the evening. Those present were Mrs. W. F. Slater, Mrs. E. M. Fox, Mrs. C. N. Davis, Mrs. Ellis Davis, Miss Ruth Jordan, Miss Juanita Isenor, Miss Eunice Stockton, Miss Josie Winters, Miss Mabel Ulrich, Miss Glenna Wright, Miss Agnes Gothard, Miss Marie Frenger and Miss Hazel Horn, all guests. The members present were Miss Lizzie Gothard, Mrs. James Haptonstall, Miss Ethel Gothard, Miss Frances Blaylock, Miss Ina Clemens, Miss Fern Bradbury, Miss Marie Gothard, Miss Eva Murdy, Miss Viola Walton, Miss Lorena Culver, Miss Cleo Ulrich, Miss Ethel Dwyer, Miss Ethel Graham.

## Mission Society

The Woman's Home Missionary Society met at the parsonage Wednesday afternoon with twenty-two women present. Mrs. John Cady conducted the devotional service, and the business meeting followed, with the president, Mrs. E. M. Fox, in the chair. At the next meeting, a Mothers' Jewels Band will be organized, to meet at the same time and place as the missionary society. This will be good news to the mothers of small children who find it a task to care for the little folks and pay attention to the meeting at the same time. The lesson was in charge of Mrs. H. O. Cusin, from the text, "Old Spain and New America," and was very instructive and interesting. At its close, light refreshments were served by the hostess.

## Returning to U. S.

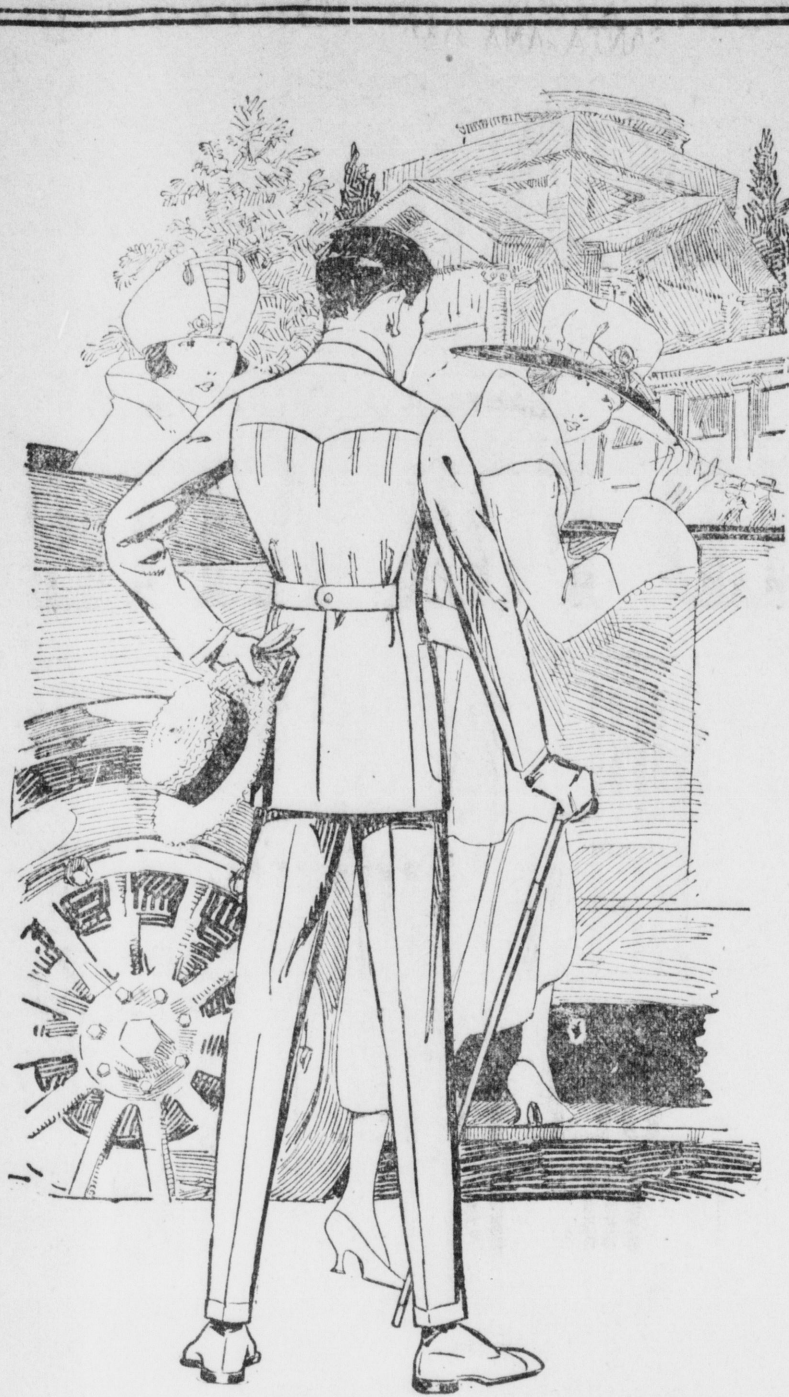

An extract from a letter by Mrs. Mae Chisholm Brown of Changli, North China, will be of interest to many Orange county people. "Again we are forced to return to America. My husband cannot stand the nervous strain of the work and must live his own life in the open in beautiful California. We sail from Yokohama on the Empress of Asia, reaching Vancouver about April 30. Our plan is to go at once to Corona, Cal., where we expect to spend the summer while we find just the little ranch that fits our need." The many friends of this well known couple are glad and sorry—glad to have them in Southern California but sorry they must leave a work which is so dear to their hearts.

## Church Notice

Sunday school at 10 a. m., Mrs. A. H. Moore, superintendent. The 11 o'clock service will be in charge of the W. H. M. S. and Miss Laura Chismack will speak. The time Junior class at 3 o'clock. Epworth League anniversary service at 6:45, at which hour the new officers for the coming year will be installed. Mothers' Day sermon at 7:30, subject, "A Salute to Mother." Solo by Miss Marie Frenger. Everybody come and wear a white blossom for mother.

## Wintersburg Notes

The Junior Y. M. C. A. boys and their leader, Prof. H. O. Ensign, invited a few friends to enjoy a social hour with them Tuesday evening at the Cady home. A program of games had been prepared, and these with an informal musical and literary program, made a very pleasant evening. Leon Moore responded to a request for a reading. Rev. O. N. Oleson gave several selections on the guitar and sang "Building" with guitar accompaniment. Mrs. Nellie Moore gave

MEN! HERE ARE  
REAL SUIT VALUES

One Hundred Men  
Should Spend Here  
Tomorrow \$20.00  
to \$25.00 Each

For tomorrow we feature over two hundred suits at the above prices. They are all in the newest summer styles and not a suit in the lot looks like less than a \$30.00 value.

Every thread is of pure wool and the tailoring is of the best.

Other Good Suit Values  
at \$15.00 and \$18.00

Come in tomorrow and select a new summer suit. You'll like our suits and you'll appreciate the values we are giving.

## The Wardrobe

B. Uttley. 117 East Fourth St.

Come to us for Summer Weight Underwear and newest things in men's Summer Shirts.

a reading, "The Little Cripple," which was exceptionally well done. Mrs. H. O. Ensign read "Alaska" in her pleasing manner, and after another game, refreshments of ice cream and delicious cakes were enjoyed. The serving was quickly and beautifully done by the boys, Leonard Cady, Russell Alford, Paul Vandruft and Leon Moore. The others present were Mrs. John Cady and family, Mr. and Mrs. W. G. Alford, Mrs. Nellie Moore, Prof. and Mrs. H. O. Ensign, Mr. and Mrs. W. T. Vandruft and daughter Ruby, Mrs. Kate Frenger, Rev. and Mrs. O. N. Oleson.

G. Herman Franger of the Fullerton high school faculty, came over Wednesday for a few hours' visit with his mother. He recently joined the Pacific coast reserves and has his commission. When he will leave is uncertain, but it is understood there will be calls May 14. In the Fullerton home guards he is first lieutenant.

Miss Marie Franger went to Fullerton Wednesday, expecting to return on Thursday. She may resume her studies at the Huntington Beach high school. Little Dorothy Ensign accompanied her to Fullerton.

Little Miss Bonnellyn Fox had a birthday on Tuesday, and the event was celebrated by a beautiful cake with five candles, and a few invited friends to make merry with her.

AMERICAN FLAG MADE OF  
BEANS WINDOW DISPLAY

To draw the Stars and Stripes on a piece of paper and give them the correct color requires some artistic skill, but to reproduce the flag with homely beans requires great skill—and this is just what J. G. Morrow of the Santa Ana Produce Store has done.

The emblem of liberty made of beans graces the show window of the store on Main street. It is a fine piece of work.

The flag is topped with a bank of pink beans for a background and with white beans is spelled the words, "We Feed Santa Ana."

To carry out the color effect of the flag, beans were colored red and blue. The stars in the field of blue beans are made of lettuce seed, with red and white beans forming the red and white stripes. The staff is made of Garbanzo beans.

Underneath the stripes, in a background of white made of rice is a music staff of the Star Spangled Banner made of onion seed.

BREA ADOPTS UNIQUE  
STREET NAMING PLAN

BREA, May 11.—Twenty years hence if you should stop at Brea, walk up to a pedestrian and ask him where a certain address was, his answer might run something like this: "Keep straight ahead till you come to a street bordered with cedar trees and then turn to your left," or, "Walk three blocks down the street with palm trees growing on both sides and then turn to your right and continue till you come to a street bordered with eucalyptus trees."

The Brea City Council has adopted a new street numbering system and a new set of names for many of the streets, making it possible for future generations to give a street direction, so simple that no one can misunderstand it.

The street numbering and naming system was worked out by W. J. Renshaw, city engineer, who added a suggestion that a street bearing the name of a tree be bordered with trees of that variety.

Ash will be the name of the principal street in Brea. Birch next, then Cedar, and so on through the list of trees, the names of the streets in the name of each street following the initial letter of the preceding street name in alphabetical order.

There will be two streets bearing the same name on opposite sides of Ash street, which will be the dividing line.

REPUTATION IS  
AN IMPORTANT  
ASSET

"Reputation is important as an asset."

C. W. Houghtaling, secretary of the Orange County Buildings Association, is strong for good work and fair compensation for contractors.

"This has been one of the big features in the creation of the organization," says Houghtaling. "Too frequently does it happen that contractors in their eagerness to secure work figure too low in order to get a job, and as a result have to skip on the job in many ways to break even and in so doing at times injure their reputation. Our association seeks to avoid this condition by bringing contractors and supply men together in an effort to prevent cut-throat competition and to protect the man who is building as well as the man who does the work."

"A reputation for responsibility, competency and efficiency is the best asset which any business man can possess. Such a reputation cannot be acquired overnight. Years of consistent effort are required to establish it. But as is the case with many good things it can be seriously injured and even destroyed in a night."

"A business man who has given the best years of his life to the building of a good reputation is naturally very jealous of it."

"He will not risk it thoughtlessly or foolishly. In times of stress when business is at a low ebb and there is a disposition on the part of some men to throw profits to the winds merely for the sake of having something to do or to keep up the appearance of being successful, the man with the reputation is not easily drawn into the reckless pursuit of trade. However, if he is wise, he does not retire from the field and allow his name to sink into oblivion."

"Competition may become too reckless for him but he keeps in touch with his business and keeps his name and reputation alive, by figuring on such jobs as may appear profitable or holding those past customers with good credit who are the backbone of his business."

"The memories of men seem to grow shorter day by day and the good work or the satisfaction which a man has given in previous business deals is soon forgotten. Men of today do not readily recall the name of a certain contractor who erected a building a few years back in a very satisfactory manner and hunt him out of the throng when he builds."

"Too many men engaging in the contracting business direct all their efforts toward securing work and do not give enough attention to the quality of the materials or workmanship which is the most important in the establishment of a sound reputation."

"Their idea of success is measured by volume of business they can secure rather than the character of the work."

"They will invariably buy cheaper material and hire cheap labor so that in the end the owner gets a cheap job when he no doubt expected a good one. There are always some owners who are looking for a contractor who will make a price attractive to them and who place price above every other consideration."

"When a wise man builds, he selects an architect to draw his plans and specifications thereby putting the contractor on a fair basis of competition; then selects some contractors who have established reputations as bidders for the work; awards the contract to the lowest and signs a contract with him to do the work as shown or specified and finally at the end of the time for the completion of the job, he, the owner, walks into a home complete in every detail, satisfied, pleased and feeling that his money has been well spent; his job was built by a contractor with a reputation."

## Notice—AUTO OWNERS—Notice

—On or about May 15th I will open a general repair shop at northwest corner of Fifth and Spurgeon streets, Santa Ana. Engine (auto or tractor) work is under the supervision of a master mechanic. Ignition troubles will be a thing of the past. Our electrician is an expert in this line and efficient service is assured here. Vulcanizing will receive prompt and satisfactory service at this shop. Cheap jobs, but the BEST for LESS. You will never regret giving me a trial job. Would be pleased to meet my old time friends and make new ones. For your next repair work, take it to the new shop. Yours, JAS. S. TREW, N. W. Cor. Fifth and Spurgeon Sts.

## ABOUT GOOD ROADS

It is hard for us to realize here in Orange County that the good roads movement has hardly touched many of the counties of the East and Middle West. When one of us examines some of the records of road building in those parts of the country he is amazed at the lack of enterprise and the utter disregard for the value of good roads that is evidenced "back East," which words generally signify the section of the United States the other side of the Rockies from which you came west.

It was only recently that a Santa Ana man produced as a curiosity an Iowa newspaper in which was printed the platform of a man running for supervisor of a well known county of Iowa. That platform held out as an inducement for votes that the candidate WAS AGAINST BONDS OF ANY KIND FOR ROAD IMPROVEMENT.

Collier's Weekly sums up the deplorable attitude of the average community, county and state toward good roads, as follows:

When spring was beginning to brighten the color of life, and we were all of us overhauling the garden tools and the family buzz wagon, "Bradstreet's" flashed this germane comment in its weekly review of general conditions:

"Of course country trade is hampered by poor roads as well as by farm work, but this situation is the usual seasonal one."

That "of course" is one of the severest reflections imaginable on American good sense. We talk glibly of how ready we are to take up with advanced ideas, to make improvements, and all that, and yet, after fifteen years and more of constant harping on good roads, bad roads are still our "usual seasonal" condition at this time of year! They cost money, waste time, slow up business, spoil pleasure, separate friends, and lower land values. Except perhaps for saloons, there is nothing so expensive to a community as bad roads. What is your section doing to get good ones?

The American Road: 1917 Definition—A strip of unowned land over which anybody is free to walk, ride, or drive—if he can.

California by the western sea is leading the East in good roads work, and among the best paved counties of California is our own Orange County. With our 150 miles of pavement, we feel like throwing out our chests and signalling enterprising easterners who have tried in vain to get their counties interested in road improvement to give up the battle back there and come where the battle is already won, come where one may ride among citrus groves, sugar beet and bean fields, walnut and apricot orchards, and farms that grow potatoes, celery, chili peppers, alfalfa and other things that bring in money, come where riding in an automobile is an everlasting joy and the handling of produce to market and shipping points is made easy.

## BELLING THE CATS

The war against cats goes merrily on. Many cities throughout the country have heeded the advice of the Audubon Societies joined to that of the medical scientists, and taken steps to cut down the cat population for the sake of birds, crops and human health. It has been proved that the cats spread deadly diseases from house to house. It is a matter of common observation that they kill songbirds and all sorts of birds that are doing their best to serve mankind by eating insect enemies of trees and crops.

Sandusky, O., is one of the latest municipal recruits to the anti-feline campaign. The city commissioners are expected to pass an ordinance providing that all cats must wear bells—meant to give birds warning of their approach, and thus allow the birds to escape. Cats caught abroad without their bells would be treated as outlaws. The general effect of such an ordinance would be to abolish stray cats, which is the primary object of the crusade. It's the strays that do the most harm.

Santa Ana is not likely to even think of putting bells on its cats, but it might with profit consider some method of effectively reducing its feline and canine population.

## W. A. HUFF CAN FIT YOU

SOME men think we can't fit them in clothes ready-made; and they feel that a good fit is important.

We appreciate this feeling on their part; if you are such a man, and have had unsatisfactory experiences in being fitted in ready-made clothes, you're just the man for us.

We can put a suit of clothes on you that you'll be satisfied with; it will fit, because it was made to fit just such a figure as yours.

It's easy; come and see how easy.

\$18, \$20, \$25, \$30

## With Malice Toward None

By Henry James

**Employer and Employee**  
A charming syndicate writer tells of the discharge of a man by his employer. She tells it as though approving the conduct of the employer. The method of the employer was as follows:

He approached his subordinate, without preliminaries, and told him his services no longer were required. Quite within his rights, doubtless. But he volunteered to tell the discharged person the reason for this, which he expressed by saying, "You are a thief."

The charge being untrue, it was up to the accused to smite the employer between the eyes, thus giving him a lesson in manners, but here, it must be confessed, the responsibility was not recognized and the fired individual fell down.

What the employer meant was that his hired man had not performed his task properly and fully; which was the case. This may have been due to sheer incapacity, to lack of instruction and absence of encouragement. Anyhow it was a fault.

Nevertheless, the offender was entitled to at least a warning and a chance.

"Thief" was no proper term. No gentleman would have used it in the connection. Doubtless the employee had exacted extra work at times, with out extra pay, and would have been much hurt in his feelings had he been called a thief.

An incompetent does not have to be retained, but that is no excuse for blackguarding him.

**Useful Literature**  
Campaign literature is circulating freely.

With paper at a cent a pound, there is at least carfare in saving these effusions to sell by weight.

**Business**  
A man borrowed \$250, repaid \$327 and at the end of the time was figured by the lender to still be \$50 in debt. At this writing the lender is trying to get possession of the borrower's home, to add to the unholy "velvet" already received.

And that is the type of critter that had influence enough to procure legislative indorsement for a robbery bill allowing interest of 42 per cent!

**Something to Wait For**  
A glimpse of Mr. Hohenzollern in the act of spending the indemnity collected from Uncle Sam.

**The Large Bill**  
Not long ago a passenger was bounced from a street car because in payment of fare he would tender nothing less than a \$10 bill. Of course he was aggrieved. Dissipation of the belief that a conductor's change-holder is a national bank always seems to jar.

Once there was a man who had a habit of getting free rides by the method of displaying a \$20 bill. It worked all right until one day when the conductor had prepared for him a dose of \$19.95 all in nickels and dimes.

**Useless Competition**  
Italy has had an earthquake killing many people.

Pretty cheeky earthquake that would try to compete with the style of war now in vogue.

**Saving the Seedy**  
Members of the Salvation Army propose to be at the sunrise court in Los Angeles and save the souls of the soaks.

Another good way would be to herd them to the beet fields under guard and permit the sin to be sweated out of them.

**A Trio**  
The pictures of Hearst, La Follette and Stone have appeared in Fatherland because of the apparent love they hold towards Germany.

One wonders if each of this trio feels flattered, and if so, whether because of the reason ascribed for the publicity, or the character of the others of the bunch.

**The Gag Law**  
There seems to be no sentiment in favor of a gag law.

However, some of the expressed opposition to the measure is almost enough to make anybody gag.

**Making Language**

A bright little newsboy was asked for an evening edition containing the box score.

"There ain't none," he responded.

"The game was postponed."  
Oh well, anybody would have known what the lad meant.

**Whither Waited?**  
Shoe manufacturers assert that there is no money in the business. Who gets all the extraordinary amounts that every family man has to pour into it?

## WEAK AND TIRED WOMAN

**Tells How Vinol Made Her Strong.**  
Santa Ana women who are weak, run-down and suffer from the consequent effects of such a condition, will be interested in Mrs. Odell's letter. She says:

"I am a farmer's wife and was all run-down, weak, tired, and suffered from indigestion, and sometimes it seemed as though I could not keep around and do my housework. I had taken many medicines without benefit. One day I saw Vinol advertised, and made up my mind to try it. I have taken four bottles and have gained seven pounds in weight, am much stronger, and feel many years younger than before." Sarah Odell, Lockport, N. Y.

The reason Vinol builds up weak, run-down women so quickly is because it contains a delicious combination of most successful tonics, beet and cod liver peptones, iron and manganese peptones and glycerophosphates, in a mild tonic wine.

We want to say to every weak, run-down, overworked woman in Santa Ana that we will return your money if Vinol fails to help you as it did Mrs. Odell. Rowley Drug Co., Santa Ana, also at the leading drug store in all California towns.—Adv.

## HIGH SCHOOL TEACHER FOR TRAINING CAMP

Charles Deaver, teacher of history and economics in the Santa Ana High School and Junior College, left today to enter the training camp at San Francisco. He has been granted leave of absence by the Board of Education. Deaver's work will be carried on partly by E. M. Nozley, the remainder being divided among the other members of the faculty for the remainder of the term.

## THE WEATHER

Increasing cloudiness tonight and Saturday. Westerly winds.

May 10.—Maximum 71; minimum 47.

## MARRIAGE LICENSES

IN SANTA ANA, ON MAY 10  
Fred M. Mettler, 28, and Grace E. Hippinsteel, 20, both Los Angeles.  
George F. Weaver, 24, and Nellie B. Kephart, 29, both of Los Angeles.  
Albert M. Bennett, 22, and Maude A. Owens, 19, both of Los Angeles.  
Enrique Garcia, 26, and Aurelia Gregg, 24, both of San Diego.  
Lee O. Hale, 22, Fullerton, and Grace I. Hatton, 20, Upland.

## DEATHS

VICK—In Santa Ana, Cal., May 10, 1917, William B. Vick, aged 28 years.

—Funeral services tomorrow at 2 p. m. at Smith and Tutthill's chapel. The decedent had lived in and around Santa Ana for five years.

ADAMS—In Santa Ana, Cal., May 10, 1917, Mrs. Olive E. Adams, aged 64 years, at her home, 1022 West Third street.

—Funeral services were held this afternoon at 2:30 o'clock at Smith and Tutthill's chapel, and the body will be taken to Los Angeles tomorrow for cremation.

Mrs. Adams leaves three daughters, Misses Jean and Grace Adams, in the employ of the Southern Counties Gas Company here and in Anaheim and a married daughter, Mrs. Robert R. Gill of Mazatlan, Mexico.

Mrs. Adams had resided here two years. (Anaheim and Los Angeles papers please copy.)

## BIRTHS

RUMBOULD—In Santa Ana, Cal., May 10, 1917, to Mr. and Mrs. Ross Rumbould of El Toro, Cal., a 10½-pound son, at Mrs. M. A. Bruce's home, 315 South Broadway.

## Personals

Arthur Farrar, wife and sons arrived here yesterday afternoon from Pawhuska, Okla., upon a visit to Mr. and Mrs. H. P. Farrar, parents of Arthur Farrar. The visitors will remain here several weeks.

Chas. F. Neen has gone to Phoenix, Ariz., on business.  
Mr. and Mrs. J. Shain left yesterday over the Santa Fe for Kansas City, where they will visit relatives.  
Mr. and Mrs. L. J. Carden left Thursday morning for Perry, Iowa, where they were called by the serious illness of Mrs. Carden's sister.

Dr. Hard, a retired physician of Long Beach, who has been dangerously ill from pneumonia poisoning at Dr. Violet's hospital at Garden Grove, was removed to Los Angeles yesterday.

George Sears, who formerly lived near Bolca, has returned from Arizona and may decide to remain.

Miss Linna Yarnell has returned from Palo Alto, where she has been visiting relatives and friends.

Mrs. Max Reinhaus and Stanley Reinhaus left yesterday in their automobile for Berkeley. Misses Helen and Irma Reinhaus will return with them.

Mr. and Mrs. M. Nisson have gone for an auto trip to Palo Alto and will bring their daughter, Miss Stella, home with them from Stanford. Miss Nisson is one of the champion swimmers at the university. The family will stop over at various places en route home.

Rev. J. A. Stevenson leaves today for Dallas, Texas, where he will attend a meeting of the executive committee of the General Assembly of the Presbyterian church. Rev. Stevenson will visit the Grand canyon while absent and will be away two Sundays.

Mrs. Susie Rutherford, Mrs. C. A. Riggs and Mrs. Marshall Northcross have returned from a pleasant two weeks' outing at Keen Camp.

Mrs. Eleanor Lloyd Smith and Mrs. Frances Van Vlack, both of Los Angeles, were yesterday guests of Mr. and Mrs. James Nuckolls. Mrs. Smith was soprano soloist and Mrs. Van Vlack was a member of the choir of which Mr. Nuckolls formerly had charge in Los Angeles.

Dr. Mabel Vance Tremaine went to Los Angeles this morning to obtain some instructions in regard to her work in the Red Cross.

Mrs. E. D. Burge was a morning passenger to Los Angeles.

## CHANGING GATE TOWER AT S. P. AND SANTA FE

The tower from which the gates at the Fourth street crossing of the Santa Fe and Southern Pacific are operated is being moved about ten feet east and fifteen feet south of its old location.

The change is being made so that Towerman B. W. Holladay will have a full view of both tracks north from Fourth street. Change in the location was made necessary by recent enlargement of the ice and storage plant of the Santa Ana Commercial company. An additional story was put on the building and shut off the towerman's view of the Santa Fe tracks.

## Unclaimed Letters

Letters addressed to following parties remain unclaimed for in the post office at Santa Ana, Cal., for the week ending May 12, 1917:

P. A. Andrest, Mr. Howard Barrett, Hon. Frank T. Bates, Mrs. Geo. H. Bert, Major Bray, Mrs. A. M. Brown, Mr. and Mrs. William Canby, Mrs. M. C. Clark, Mrs. Concoran, Mr. Fay Dean, T. E. Fleming, Mr. P. L. LeVelle (2), Mrs. Elizabeth Roberts, Mr. Charlie Sanders, Mrs. C. W. Speen, Mrs. R. R. Stabler, Mrs. Charles Taylor, L. J. Trickey, Julius Vermillion, Mr. L. B. Weber.

Senor Don Visente Acosta, Senor Don Pedro Avatos, Sr. Ricardo Charles, J. R. Gonzales, Candelari Laramillo, Mr. Lewis Primo, Sr. Don Julio Sanchez, Sr. Marcelo Sianes, Abram Valdez.

If not called for in two weeks will be sent to the Dead Letter Office. When calling for the above please say advertised and give date.

C. D. OVERSHINER, P. M.

Dr. Enochs, phone 602W, 411½ Main.

## MEN'S MASS MEETING ON GREAT MOVEMENT

J. C. Worley, Coast secretary of the Laymen's Missionary Movement, will address a men's meeting in the United Presbyterian Church on Sunday, May 13, at 2:30 p. m. Mr. Worley will speak in the interests of the proposed Laymen's Missionary Convention to be held in this city next November. Any person interested in the Laymen's Missionary Movement should hear Mr. Worley.

Dr. Magill, Osteopath. Phone 956-W.

Santa Ana Lodge No. 241 F. & A. M. will meet at Masonic Temple Saturday afternoon at 1:30 to conduct the funeral services of Bro. B. F. Townsend. Services at Mills & Winkler's Parlors at 2 o'clock. Sojourning brethren cordially invited to attend.

F. C. ROWLAND, W. M.

**JACK PICKFORD**  
FRANK LOSEE, RUBY HOFFMAN, HELEN GREENE.  
In a picturization of the great stage success

## "The Dummy"

PRODUCED BY THE FAMOUS PLAYERS FILM COMPANY

In this production Jack Pickford attains the greatest success of his entire career, his work in "The Dummy" places him in the first ranks of stardom, proving his ability of sharing equal fame with his sister Mary. The play in its picturized form presents an astonishing blending of comedy and melodrama—lively action, surprise punches and delightful human colorings keeping one's mind ever in a state of pleasurable excitement. "The Dummy" is a successful motion picture adaptation of a successful stage play. It is wholesome, and is calculated to send audiences away in a buoyant mood. There is nothing distasteful, dreary or morbid to be found in it. The work of the director, Francis Grandin, is exceedingly skillful in the supervision of the cast and effective in atmosphere and general realism. In the star's strong support are Frank Losee, Edwin Stanley, Helen Greene, Ethelmary Oakland and Ruby Hoffman, the work of all being above cavil.

The topics in the "Hearst-Pathé News" tonight will be an interesting feature to all patriotic Americans—each subject is of vital interest to everyone.

## ELECT OFFICERS

High School P. T. A. Hears Excellent Talk By Miss May Putnam

The High School Parent-Teacher Association met yesterday afternoon at 3:15 in the music room at the Polytechnic school building, with the president, Mrs. J. R. Baker, presiding. Mrs. L. K. Strong led the flag salute and all joined in singing "America," followed with prayer by Rev. H. W. Peck, pastor of the First Methodist Church.

Miss Isabel Anderson in a very pleasing manner explained the setting for the pageant to be held on the lawn Friday evening, May 18. This promises to be a very beautiful entertainment given by the Junior College students.

Miss May Putnam of the Jefferson High School of Los Angeles, gave a very interesting talk on vocational guidance, showing how valuable the work is for girls to learn, to be able to do something or be trained along some special line as well as for the boys.

Now at this time so many positions are made vacant by the boys, who are called out for service it is very essential that girls be trained in vocational lines.

There will be given in the Polytechnic building a series of conferences on the vocational work for Senior and Junior College girls. The first is to be held Friday afternoon.

Mrs. H. W. Shepard gave a very interesting account of the County P. T. A. recently held in Olinde. Mrs. J. N. Anderson explained some of the laws that have been passed in the legislature concerning women and only need the governor's signature to become law. The bill allowing women to serve as jurors has passed, also the bill providing a home for feeble-minded children. The bill for free text books for high schools passed.

The State P. T. A. and Mothers' Congress convention will be held at Sacramento May 22 to 25 and any one going north at that time and who could attend this meeting as a delegate will please make it known to the president, Mrs. J. R. Baker.

Miss Grace Whitford announced that June 1 will be visitors' day. Miss Taney explained the plans for a proposed supervised play ground on the high school ground. This plan was endorsed by the High School P. T. A. Reports of committees and officers were received.

The following officers were elected: President, Mrs. J. R. Baker; first vice-president, Mrs. L. K. Strong; second vice-president, T. B. Kelly; recording secretary, Miss Alice Gall; treasurer, Mrs. W. S. Rose; historian, Miss Edna Perry.

## Missionary Meeting

The Woman's Missionary Society of the United Presbyterian Church met yesterday in the church parlors with a good attendance of ladies present. At 10 o'clock the Ladies' Aid Society held its regular meeting, followed with needle work of various kinds. At 12:30 a splendid luncheon was served by the committee. Mmes. Smart, Hoy, Prince, Mitchell, T. C. Eisele.

The following was the menu: Creamed chicken with hot biscuit, green peas, salad, jelly, coffee, strawberry shortcake.

Beautiful bouquets of Cecile Brunner roses were used for decorations and favors of little May baskets filled with the same flowers were at each plate.

A social hour was enjoyed until 2:30, when the meeting was called to order by the president. The devotional service was led by Mrs. Kennedy. Mrs. Steele Finley read a very interesting toast that was given at the Women's Presbyterian recently held in Long Beach; subject, "Is Our Society Like a Chicken With Its Head Cut Off?" Mrs. T. C. Eisele gave a blackboard talk on Ward's Missions. Mrs. Steele Finley very ably gave a synopsis of the study, "Peace and the Kingdom."

The next meeting will be held at the home of Mrs. S. H. Finley on Wednesday, June 6.

**Wee Club Meets**  
The Wee Club met yesterday afternoon with Mrs. Charles Smith on Hickey street and the time was pleasantly spent with chat and needlework. Pink roses and ferns made attractive decorations.

At 5 o'clock an elaborate three-course collation was served in the dining room.

## TEACHERS ENTERTAIN

Mothers of Students of Lincoln School Are Given a Treat

The teachers at Lincoln school yesterday afternoon extended a very pretty courtesy to the mothers of the school when they entertained them in the kindergarten room with a most enjoyable program. Miss Linda Paul was mistress of ceremonies, and in her own inimitable manner introduced the performers, all of whom were members of Lincoln's faculty. The faculty boasts a most accomplished musician in Miss Mayme Havens, who beside a piano solo, accompanied the other musicians and played while the audience joined in singing many familiar songs.

There was a vocal duet by Misses Lois Thacker and Annis Snow, a ukulele duet by Misses Grace Birchler and Ursula Lee, several readings from James Foley by Miss Adeline Hill, a negro dialect story from Thomas Nelson Page, perfectly rendered by Miss Paul, and something that Miss Paul described as a "classic," by Miss Giffen. A classic is defined as something classic, refined and of the very highest class or rank, and Miss Giffen's contribution to the program was all of that and more, and it made a great hit. Miss Stewart told in a very interesting manner something of the work being done in the first and second grades in the industrial arts, and an inspection of the work done in that line was very much enjoyed.

Fruit punch and a bountiful supply of the most delicious home-made cake was served by the faculty members to their guests, who thoroughly enjoyed their afternoon's treat.

Miss Paul announced that on the evening of May 23rd the Lincoln faculty will present a play in the summer house on the school grounds, and if the histrionic ability displayed by some of the people on yesterday's program is a foretaste of what is to come, it is safe to predict that there will be standing room only at the play.

Mrs. Crookshank announced that Saturday, May 19 is the day when the sewing apparatus at the Central grammar school will be given over to the Red Cross section of Lincoln school and it is hoped that a large number of Lincoln school mothers will be able to assist in the work on that day from 9 a. m. until 4 p. m.

## Busy Bees Buzz

The Busy Bee Club met yesterday afternoon with Mrs. T. H. Sherill at 602 East Third street. Pink and white Maman Cochet were used in the living room and a large basket of Cecile Brunner graced the dining room.

During the afternoon, besides the fancy work, Mrs. A. B. Gardner, Mrs. G. N. Greer and Mrs. Arnold Peck gave instrumental music and Mrs. Chas. Johnson pleased with vocal solos.

Late in the afternoon ice cream, cake and punch were served. Those present were Mmes. G. N. Greer, W. J. Lindsay, Elmer Thompson, Charles Johnson, C. S. Hubbard, Will Jerome, E. D. Smith, R. K. Torrens, Edith Jordan, A. M. Pendleton, A. B. Gardner, W. S. Peck, Arnold Peck, Jack Miller and Mrs. J. P. Thompson and Miss M. S. Lawton were guests of the club.

## INTERESTING MEETING

Intermediate P. T. A. Elects Officers, Hears Two Good Talks Yesterday

One of the most interesting meetings of the year and the last one for the school term was held by the Intermediate P. T. A. on Wednesday afternoon in the assembly room of the school. The attendance was large and the speakers greatly enjoyed the meeting.

Election of officers took place and resulted as follows: President, Mrs. C. H. Baird; first vice president, Mrs. J. W. Sackman; second vice president, Mrs. C. C. Langley; recording secretary, Mrs. George Thacker; corresponding secretary, Miss Clara Brown; treasurer, Mrs. A. P. Dresser. Mrs. H. M. Robertson gave a very enjoyable and instructive talk on the Red Cross work, explaining its objects and work and asking for the support of the members.

Miss Elsie Wingood delighted her

hearers with two well-rendered readings and Misses Anita Cox and Ruth Drips pleased with two vocal duets, accompanied by Prof. Garstang.

The address of the afternoon was delivered by Rev. J. A. Stevenson, the topic being "Home Influence." The speaker said that there should always be an atmosphere of good cheer about the home and the parents should have a spirit of fellowship with their boys and girls. Intellectual and religious thoughts should abide in the home.

A social hour was enjoyed in the lower hall, where punch and wafers were served by the committee, composed of Mmes. Britton, Elwing and Millen.

Mrs. Pease's room, section 8, having the most parents present, was awarded the picture.

## D. A. R. Meeting

The D. A. R. will meet at the regular time Saturday afternoon with Mrs. A. J. Crookshank. As this is a special meeting, all members are urged to be present.

## Will Hear Talk

The Sunbeam Mission Band of the First Presbyterian church will meet at 2:30 in the church. Mrs. Anderson will give a talk on the Chinese school in Los Angeles. The junior girls are cordially invited.

## Dancing Party at Olive

Tomorrow evening in the Olive dance hall there will be held another of the dances that have become so popular with the lovers of that amusement. Eighty-six couples, representing many cities and towns in Orange county, participated in the pleasures of the last one, given two weeks ago.

Spot and prize dancing will be features of tomorrow evening's enjoyment, as well as some surprise dances, which Mr. Linnartz, the popular manager, always has in store for those present. Isbell's five-piece orchestra will furnish music throughout the evening. A delicious luncheon will be served for those who care to partake. An adequate check room has been in-

stalled during the past week and arrangements made for protection of autos.

## FAREWELL PARTY

Fidelis Class of First Baptist Church Honors Mrs. Percy Lusk Yesterday

The Fidelis class of the First Baptist church met yesterday at the new home of one of the members, Mrs. David Meyers. The affair was in honor of Mrs. Percy Lusk, who with her husband, soon leaves for Placer county, California.

A picnic dinner was held under the big walnut trees at noon and was a most enjoyable feature.

The business meeting in the afternoon was presided over very graciously by the new president, Mrs. John Harrison.

Work was planned to aid the Red Cross organization providing "housewives" and other things for the soldiers.

About thirty-five voted the affair one of the most pleasant they could remember.

## Day Nursery Birthday

Master Clair Taylor was ten years old yesterday and the happy occasion was celebrated at the Day Nursery with a bounteous noon dinner, the first birthday which Master Clair has enjoyed at the Nursery.

Yellow was the color employed and was seen in the candles on the chocolate cake and the daisies used for a centerpiece.

## Meek Wedding Jolly Feature

A Dutch wedding was staged last evening by the Fraternal Brotherhood in M. W. A. hall, when Herman Dusenberger was united in marriage to Miss Bertha Hanswurst. James W. Ryan, made up as a Dutchman, attended them as best man, and Mrs. Myrtle Ballard as matron of honor.

The bride, Ernest Henry, was resplendent in lace cloth over lavender crepe with a lace curtain for a wedding veil and carried a huge cabbage tied with streamers of white muslin. The matron of honor's bouquet was a potato blossom, a spray of mustard and a pumpkin leaf.

The groom, Mrs. Floyd Turner, was attired in a Prince Albert suit with a derby hat, with a rope wig, mustache and goatee.

To the strains of the bridal chorus, the wedding party made its entrance and was met with showers of rice and beans. They were made to promise all sorts of ridiculous things by J. A.

Hankey, who made a very solemn minister, and at the close of the ceremony admonished the company that owing to the extreme youthfulness of both the bride and groom, only the ladies would be allowed to kiss the bride and the gentlemen the groom.

After the ceremony the bridal party retired to the banquet room, where a Dutch lunch was served, after which the members and their friends danced until 11:30.

On next Thursday evening the committee has arranged for a Rubie party. All those attending in ordinary dress will be fined one dollar.

**Mrs. Coleman Makes Debut**

Mrs. W. R. Coleman gave a very successful recital at the Ebell clubhouse in Los Angeles, last evening.

Among the numbers of her program were some of the most difficult and taxing songs ever written for soprano. It is conceded by teachers and critics in Los Angeles that Mrs. Coleman is one of the coming sopranos of Southern California. They base their belief upon the fact that her voice seems to meet every requirement. It has a phenomenal range, great power, and a command of every quality—from the pure lyric or even coloratura, to the intensely dramatic. These are probably technical requirements. However, a listener was not conscious of technique, in Mrs. Coleman's work last evening, because there was such perfect atmosphere and interpretation in every number.

It is certainly true that many an artist with greater reputation would be proud to possess some of the qualities and accomplishments which Mrs. Coleman displayed in her debut, her program being charming throughout.

Mmes. F. W. Slabaugh, L. Babbitt, Katherine Perry; Messrs. Earl Fraser, Fred Rowel, Maurice Phillips, Lloyd Wagner, were among those from Santa Ana who heard Mrs. Coleman's recital in Los Angeles, last evening.

**Altar Society at Orange**

Mrs. Charles Bevis and Mrs. E. B. Collier were the hospitable hostesses to the Altar Society of St. Joseph's Catholic Church yesterday afternoon at the latter's home on Maple street, Orange.

Exquisite roses decked the home and the time was passed with sewing and discussing the plans of the society.

Those attending were the pastor, Rev. Fr. H. Eummelen; Mmes. F. J. Wagner, John Hageman, John Rudolph, Ed Pohlman, Charles Schmiedeberg, J. A. Maag, R. R. Shafer, George W. Young, Horace Fine, L.

J. Doyle, Norton; Misses Magruid Mary Maag and Katie Anselmino.

## FACULTY HOSTS

Chas. Deaver of High School Force Leaves For Training Camp Today

Prof. Charles Deaver, teacher of history and economics in the high school and Junior College, was given a farewell dinner at James' at 6:30 last evening by the men members of the high school faculty. Mr. Deaver left this afternoon for San Francisco, where he will enter the training camp, having been granted a leave of absence.

The tables were prettily decorated for the occasion and the delicious menu served in James' usual good style.

Following the enjoyment of the good things to eat, Principal D. K. Hammond presided as toastmaster and the sentiments and good wishes of the company were expressed by J. A. Cranston, city superintendent of schools; W. A. Nord, for the science department; J. R. Baker for the commercial; H. G. Black for the English; Ernest Crozier Phillips read one of Robert Serviss' poems; and W. M. Clayton, mathematics.

Mr. Clayton in behalf of the guests presented Mr. Deaver with a handsome leather writing case and a silk American flag. Mr. Deaver very fittingly responded to the much appreciated gifts.

During the evening, victrola music was enjoyed.

The following were present: Prof. J. A. Cranston, D. K. Hammond, Chas. Deaver, W. M. Clayton, Walter Hall, J. R. Baker, E. E. Chaffee, C. B. Lue, H. G. Black, A. E. Culbertson, H. O. Eggen, O. Garber, L. A. Warren, T. B. Kelly, W. A. Nord, E. C. Phillips, Stewart Smith and C. D. Chamberlain.

## Will Change Study Subject

The Young Lady Travellers held one of the most pleasant and profitable meetings of the year yesterday afternoon at the home of Miss Margaret West, nearly all the members being present and a number of visitors. Sweet peas shed their spicy fragrance about the rooms.

A picnic was planned for the social meeting in June to be held at Laguna and it was decided to change the course of study from travel topics to modern drama.

The topic for the past five months has been India and as a fitting conclusion, E. M. Nealley gave the company a most interesting discourse on Rabindranath Tagore, India's most

famous man, poet, philosopher and business man.

## Last Meeting of Season

The North Side Club was delightfully entertained last Tuesday afternoon by Mrs. Allie Cain, this being the last meeting of the year.

Besides the members, a number of visitors were invited in to meet Mrs. Cain's sister, Mrs. Ida Loucke, of Colorado, who is a guest here.

Roses were profusely used to decorate the living and dining rooms and the time was passed with fancy work and talking over vacation plans. In the service of dainty refreshments Mrs. Cain was graciously assisted by her daughter-in-law, Mrs. Maurine Cain.

The invited guests were Mmes. Bishop, Fannie Collins, Wertz, K. B. Pierce, J. R. Paine, Bruce; Miss Elizabeth Easton and Miss Blanche Collins.

**Surprise Wedding**  
Miss Bertha Kopplin and Harold Widener of San Diego surprised their relatives here by coming to Santa Ana last evening to be married.

Rev. P. F. Schrock performed the double ring ceremony for them at the Congregational Church.

Afterwards, a wedding supper was served in James' gold room, covers being laid for six; the bride and groom, Mr. and Mrs. F. I. Doyle, Miss Minnie Kopplin and E. C. Benedict.

Don't forget the Free Candy at Wingood's, Saturday.

## SANTA ANA BOYS AT HOME DRAW PAY FROM NAVY

### Five Awaiting Orders to Report At Training School At Goat Island

Five Santa Ana boys and four from Huntington Beach are today at their homes full-fledged navy men and drawing full pay and rations from the government. They have been accepted, sworn in and are now awaiting orders to report at the training schools at Goat Island.

The training station is supposed to accommodate only 1600, yet 2400 men are now at the school and many other recruits are waiting their turn to go into the training camp. After taking their obligations, the boys of Santa Ana and Huntington Beach mentioned were directed to return to their homes and remain there until such time as they are ordered to report at Goat Island. The four boys of Huntington Beach are Harry Smith, Geo. McCormick, Perry Hurst and Robt. Millett, all of whom enlisted as apprentice seamen.

Wesley Gale and Elmer Gullege left this week for the hospital training school at Goat Island.

Newton McKelvey, who is in charge of the local recruiting station stated this morning that during 1916 90,000

applications for enlistment in the navy were made, about one-fourth of the number being accepted. For the first four months of this year the applications totaled 41,000 with about one-fourth being accepted. There are many good reasons for the high standard maintained by the navy in recruiting. It requires time and effort to make efficient man-of-war men out of raw recruits and the navy therefore endeavors to assure itself that applicants possess the necessary qualifications before taking them into training.

"Where possible we induce applicants to enlist as apprentice seamen," said McKelvey this morning. "By doing this we can assign them to different trades wherever they prove efficient in any one of them. If an applicant enlists as a tradesman and it develops in training that he is not competent in the trade he enlists under, we have to send him home. He loses time and the navy loses time and money."

"We have efficient training schools for most all trades and the man who joins as an apprentice seaman may train in whatever department he chooses."

"The artificer school of the navy at Charleston, S. C., is now open to enlist men who want to learn trades. Heretofore it has been necessary for a year's service before one could be sent to that school. Now enlisted men can be sent direct from Goat Island after two or three months training there."

"The artificers' school is composed of five classes, namely: Carpenter's, blacksmith, painter, and ship fitter."

"Three months are allowed to complete the course, and this time is devoted entirely to instructing the men in practical work comprising their respective trades, and on work they will be most likely to encounter when assigned to duty on sea-going ships."

"The synopsis of each course of instruction given is as follows:

**Carpenter's Mate or Shipwright Class**  
Carpentry, cooperage, joiner-work, block-making, repairing boats and boat-gear, spars, oars, etc., calking seams in wooden decks, and cutting threads on bolts with hand dies.

**Blacksmith Class**  
"Welding in different ways, 'jumping' on pieces, working angle iron making shackles, chain, bolts, rivets, mast-bands, pulleys, iron-work for blocks, and all fittings likely to be required on board ship which would have to be made at a forge. In addition to the above, blacksmiths are given special instruction in shackling chain."

**Plumber and Fitter Class**  
"Lead work, pipe bending, sheet brass, galvanized and black sheet iron working, brazing, working copper pipe, and tin work, overhauling the different makes of hand pumps and water closets that are used in the naval service, cutting threads on bolts with hand dies, driving rivets and calking metal. The plumbers and fitters are given lectures on the pumping and drainage systems, method of sounding compartments, and precautions to be taken for the prevention of galvanic action on the hull and fittings, and maintenance of the sanitary arrangement. They are also required to keep a journal, in which they collect much valuable information on the general plumbing arrangements of the ships."

**Painter Class**  
"Painting iron and woodwork in side and outside, cabin and hard-wood work, and mixing all kinds of paints and stains by the different formulas as used in the naval service. They are also required to keep a journal, in which they gather from time to time much valuable information on ship painting generally."

**Ship-Fitter Class**  
"Fitting angle iron and plates, riveting and caulking (iron and steel) drilling and tapping, putting on hard and soft patches; care and maintenance of manholes; power and hand closing water-tight doors, valves, etc. making repairs to and operating anchor and winches, engines, machine work on lathe, shaper and drill press cutting threads on pipe and bolts with hand dies, the use of the red lead gun, and stopping leaks with cement and otherwise. The shipfitters are required to fit plates and other parts of the structural work on the hull model of the armored cruiser in the model room, to familiarize them selves with the interior and underwater arrangement of frames, longitudinal, outside and inner bottom plating, water-tight bulkheads, etc."

"In addition to the above practical instruction, all the classes are given lectures on the nomenclature of parts and fittings of ships, the method of sounding compartments to detect the presence of water, taking the draft of a ship, determining location by the system of compartment numbers as used on ships of the navy, and various other subjects relating to the care and preservation, maintenance and operation of water-tight doors, hatches, ventilation system, etc."

### RAIN OR SHINE PUBLIC MARKET OPENS MAY 19

Rain or shine, Santa Ana's public market will open Saturday morning of next week at Birch Park. Stalls will be arranged on the Third street side of the park.

George Balderston, market master, returned just after noon from a tour among growers in the Tustin, El Modena, Olive and Villa Park sections greatly enthused over the prospects of having a large number of stalls engaged for the opening day.

The greatest interest was manifested by those he came in contact with and assurances were given that they would be on hand with garden truck, bright and early Saturday morning.

## 208 COUNTY MEN ELIGIBLE FOR FIRST DRAFT FOR WAR

### Organization Completed For Registering Men When President Signs Bill

Latest information regarding plans in Orange county for the registration of men of the ages of 21 to 30, required to present themselves under the selective draft act, is that no matter what methods used, machinery for registration here can be set in motion within thirty minutes after the receipt of official word to go ahead. It appears to be fairly definitely assured that the work will be under the supervision of County Clerk W. B. Williams, Sheriff C. E. Jackson, District Attorney L. A. West and County Physician A. H. Domann. West, who is secretary of the county defense council, stated today that he had received no telegrams giving instructions. Whatever steps have been taken tentatively have been based upon press reports. Until official word is received from the government, no final arrangements can be made. County officials and the defense council are prepared, however, to proceed within a half hour after the receipt of definite information.

Machinery designed to raise Orange county's quota of the first conscription army of 500,000 men is being gradually perfected, following the news from Washington that the House and Senate conferees had decided that 21 to 30, inclusive, would be the ages.

It is confidently expected that Congress will speedily come to an agreement on the bills and that the draft machinery will be started by the war department.

The expectation is that before another week 5500 men, the estimated number effected in Orange county, will be going to the polls, to make affidavit.

The figure for Orange is based on

### CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.—Advertisement.

## GERRARD BROS. TRIANGLE MARKET & CASH GROCERY

Mothers, expectancy runs high when the appetizing odor of freshly baked cookies comes from the kitchen. And the taste outdoes the promise of "something extra good to eat," when you employ any one of our many wholesome Baking Powders. Make a point Saturday of coming to the Groceries particularly for all the ingredients required in the making of cookies, which we can so abundantly supply, and give the kiddies a treat. Here is the place to get your shortening and cooking oils where a fresh supply is ever flowing in each day or two. Also syrups and molasses. Have you had the good fortune of being served by our demonstrators with the delightful dishes of Jiffy-Jell and the soothing Chocolate drinks? Come Saturday—the last day—and partake often wisely and well. Don't forget to take home a sample of our choice 30c coffee which will be given free. We are running a sale of Newmark's spices at 7c per package. Our butter prices will be Saturday: Ranch 33c; Creamery 36c, 38c, and 40c.

**GERRARD BROS.**  
314 West Fourth St.

the war department's estimate that males of any given age—21, for instance—constitute 1 per cent of the entire population. As the draft calls for examination the ten ages from 21 to 30, the list of available would be 10 per cent of the population. The population of Orange county is conservatively estimated to be 55,000 and 10 per cent of this is 5500.

**208 From Orange County**  
Upon the completion of the registration the war department will determine what the quota of each city and other subdivision is. The population of the United States is placed roughly at 100,000,000. To raise an army of 500,000, one person of every 200 will be conscripted, meaning one person of every twenty registered.

Every man within the age limit, citizen or alien, must go to the polls on the day set. If 5500 register in Orange county the war department will order the selection of about 208. There are nineteen chances to one that each eligible will not be drafted. Sheriff C. E. Jackson, County Clerk W. B. Williams and County Physician A. H. Domann will supervise the registrations in this county. Sheriff Jackson already has received conscription registration blanks from the government. These are being kept locked in their pouches until further orders, as per instructions from Washington.

### Those Who Are Exempt

The assumption is that as regards exemptions the rules governing in the regular army will apply. Among the principal features of the regular army exemptions are these: A man who has served a sentence upon conviction is exempted. A man having dependents is exempted, possible dependents including father, mother, wife, child under 12, or sister or brother under 12. Generally no man is accepted who is under 5 feet 4 inches, or who weighs less than 122 pounds. A man having flat feet is not accepted in the army, though there are exceptions to this rule. Approximately 60 per cent of all applicants are rejected by the army as being physically unfit. In the first draft, it is believed, men with dependents will be exempt. Farmers, railroad men, police and those whose present employment is essential to carry out the government's war program will be exempt, Washington advises say.

After the men have registered they will be given physical examination.

### Assures Justice

"Every precaution will be taken to make it certain that the registration will be conducted with exact justice," reads a statement given out last night by Provost Marshal General Crowder in Washington, for the purpose of obviating any fear that registration boards will exercise favoritism in enrolling soldiers under the selective draft act. The statement said that such practices would be virtually impossible because of the explicit terms in which the act is drawn. Registration officials are warned by Marshal Crowder that favoritism easily could be detected and would be punished with heavy penalties.

No individual notices will be given the men between the ages effected—they will be expected to appear at the registration places and those failing to do so will be subject to fine, imprisonment, or both fine and imprisonment.

The following list of questions will be presented to each man:

Name in full.  
Home address.  
Date of birth.  
Are you (1) a natural-born citizen, (2) a naturalized citizen, (3) an alien, (4) or have you declared your intention? Specify which.

Where were you born?  
If not a citizen, of what country are you a citizen or subject?  
What is your present trade, occupation or office?

By whom employed?  
Have you a father, mother, wife, child under 12, or a sister or brother under 12, solely dependent on you for support? Specify which.

Married or single, which?  
Race, which?  
What military service have you had? Rank, branch, years; nation or state.

Do you claim exemption from draft (specify grounds)?

After the affiant has signed this the registrar makes out a report containing the following matter:

Is the person tall, medium or short?  
Slender, medium or stout?  
Color of eyes; color of hair.

Bald?

Has person lost arm, leg, hand, foot or both eyes, or is he otherwise disabled?

### E. F. TOMBLIN DEAD AT SANTA MONICA

Eugene F. Tomblin, a resident of Tustin in the boom days, is dead at Santa Monica, aged 65 years.

Funeral services were held at the Elks' club house there this afternoon, with relatives from Santa Ana in attendance.

He was an uncle of Mrs. Arthur H. Lyon and a cousin of Mrs. Will Tubbs of this city and Al Tomblin of Orange. Mr. and Mrs. Lyon, Mrs. Tubbs and Lester Tubbs attended the funeral.

The deceased leaves a son, Allen, residing at Santa Monica, and a daughter, Mrs. Burdette Williams, living at Milwaukee.

### KNIGHTS COLUMBUS OF STATE TO RAISE COMPANY OF SAILORS

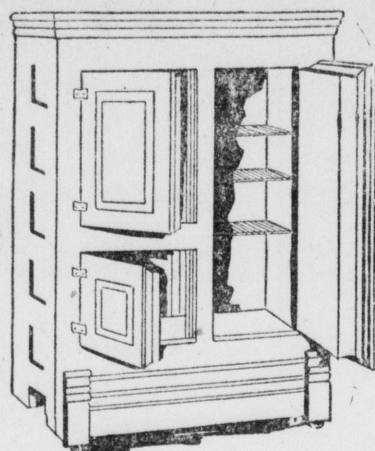

L. M. Doyle, cashier of the California National Bank, and Attorney N. D. Meyer have returned from Chico, where they attended the state convention of the Knights of Columbus, to which they went as delegates from the local council.

The convention as one evidence of the patriotism of the Knights of Columbus passed a motion under which steps will be taken to raise a company of naval militiamen to be offered to the United States for service.

Get a bottle today and have it handy in your medicine chest for coughs, colds, croup, grippe and all bronchial affections. At your druggist's, 50c.

## REFRIGERATORS

We have had a few days of warm weather---more will soon follow.

You should be prepared this warm weather with a nice new refrigerator.

Remember! that with the prevailing high prices of food, you should be prepared to keep and save all the perishable products possible.

With the aid of one of our new "Bay State" refrigerators you will be able to eliminate such wastefulness in food, and in that manner be of service to your country as well as yourself.

We have a wonderful line of these refrigerators, ranging in price from \$7.50 to \$25.00.

Don't forget about that new Gas Range. We are the agents in this city for the famous A-B Gas Ranges—the range whose oven linings will not rust and scale off.

What the Merchants  
Have to Offer You

### SHARPLESS GOING TO PRESENT PAPER ON THE AVOCADO

Tustin Man is to Attend Convention to be Held in Los Angeles

B. H. Sharpless will present a paper at the coming meeting of the California Avocado Association to be held in Los Angeles May 18 and 19, in which he will give a history of the Sharpless avocado and his experience in propagating it. Mr. Taft of Orange, will also give a paper on the Taft avocado and its history.

There will be a splendid exhibit of the fruit at this meeting, which is to be held in the auditorium of Normal Hill Center in Los Angeles. There are to be present leading avocado growers from all parts of California and Florida, and experts from the Government Agricultural Department. There is also to be a fine exhibit of fruits and nursery stock.

### They Let Him Sleep Soundly

"Since taking Foley Kidney Pills I believe I am entirely cured and I sleep soundly all night." H. T. Straygne.

Take two of Foley Kidney Pills with a glass of water after each meal and at bedtime. A quick and easy way to put a stop to your getting up time after time during the night.

Foley Kidney Pills also stop pain in back and sides, headaches, stomach troubles, disturbed heart action, stiff and aching joints, and rheumatic pains due to kidney and bladder ailments.

Gainesville, Ga., R. R. No. 3, Mr. H. T. Straygne says: "For ten years I've been unable to sleep all night without getting up. Sometimes only a few minutes after going to bed I'd have to get up, and I tried everything I heard of for the trouble. Last year I tried Foley Kidney Pills and after taking one bottle I believe I am entirely cured and I sleep soundly all night."

Rowley Drug Co.

### TUSTIN TWELVE HAS ENJOYABLE AFFAIR

A Tustin Twelve meeting always means to its members an afternoon of care-free and happy hours. They have cultivated a habit of happiness until it could not be otherwise when meeting together.

The members of the club were entertained by Mrs. Otis Bridgeford last Tuesday afternoon, at her beautiful home on South McClay street, and it is said they enjoyed a gathering one of the most delightful in the history of the club.

Around a cheery fire in the living room fingers were busy with needlework, while vocal solos and quartets were listened to, Mrs. Charles Johnson, Mrs. Albert Fuller, Mrs. W. J. Gould and Mrs. Sam Hill contributing each a part in the musical program. The room was decorated in handsome Maman crochet roses.

When later in the afternoon the guests were invited to the dining room they were seated at a table centered with Cecil Brunner rose buds. Artistic little baskets filled with rose buds and forget-me-nots marked each place. A delicious two-course collation was served.

Those enjoying the happy afternoon were Mrs. Fred Morehead, Mrs. B. F. Nimmo, Mrs. S. Hill, Mrs. Charles Johnson, Mrs. Charles Sauer, Mrs. J. W. Pollard, Mrs. Albert Fuller, Mrs. J. S. House, and Mrs. Charles Artz. Mrs. Walter Hickey and Mrs. W. J. Gould were guests of the club.

### W. C. T. U. MEETING

The regular meeting of the Tustin W. C. T. U. was held Thursday afternoon at the home of Mrs. C. A. Miller, the president, Mrs. Sarah Brown, presiding.

After the usual roll call, pledge and reports a patriotic appeal from the state president was read asking each unit to give the flag salute at each meeting. A flag was brought in and the ladies arose and gave the pledge as near as they could remember that given at the county convention, "I give my head, my heart and this right hand for God, for home and native land. One God, one country, one flag."

The secretary was instructed to write a letter of sympathy to the bereaved family of one of the members.

Mrs. Brown announced that she had received a certificate of life membership from headquarters. This honor having been conferred upon her by the loyalty of the local union members, she took this occasion to thank them. Delegates were appointed to attend the state convention to be held May 22 to 25, inclusive. Mrs. L. A. Cock was appointed delegate at large; Mrs. W. L. Leilly and Mrs. C. A. Mills, delegates and Mrs. Haldeman and Mrs. Finley, alternates. These delegates were instructed to use their judgment in making a pledge for the state work this year.

The meeting was then turned over to Mrs. C. A. Miller, whose subject was "Anti Narcotics." She read the 28th chapter of Isaiah as Scripture lesson. Some very startling facts were brought out about the cigarette: "No devotee of cigarettes ever graduated at the head of his class at Harvard."

"Excessive cigarette smoking increases the heart's action very materially, in some instances 25 to 30 beats a minute."

"High school teachers say that cigarette smokers stand at least ten per cent lower than their non-smoking classmates and that they are untrustworthy, untruthful and deceitful."

A protest was voiced by all the members present against the Red Cross plea for tobacco to be sent to the soldiers.

A prize cigarette essay written in connection with a gold medal contest by Harry Wortendyke of Riverside was read by Mrs. A. G. Finley and was highly commended by the W. C. T. U. members. Mrs. Belle Rogers, county president, was present at the meeting and was asked to speak. She spoke of the pleasure of meeting with the Tustin Union and particularly of the coming state convention and some of the things it was necessary for the delegates to know, also of the conditions upon which the Tustin Union could have a visit from Mrs. Doughty to visit Tustin within the next ten days to reorganize the Tustin Y. P. E. U.

The president of the Belle Rogers Union, Mrs. Lash, was also present and gave the ladies a cordial invitation to visit that union. Mrs. J. N. Osborne was also a visitor from Santa Ana.

The next meeting will be held on the fifth Thursday instead of the fourth Thursday of May on account of the state convention. It will be held at the home of Mrs. Louis Hilliard on Prospect avenue.

The W. C. T. U. California State convention will be held May 22 to 25, inclusive, at the Methodist church at Sixth and Hill streets, Los Angeles.

### BORN

Mr. and Mrs. I. L. Marchant received a cablegram yesterday from their son at Buenos Aires, South America, giving the news of the arrival of their grandson.

Born, to Clyde C. and Effie A. Marchant, a son, May 9, 1917.

**SPRAINS AND STRAINS RELIEVED**  
Sloan's Liniment quickly takes the pain out of strains, sprains, bruises and all muscle soreness. A clean, clear liquid easily applied, it quickly penetrates without rubbing. Sloan's Liniment does not stain the skin or clog the pores like musky plasters or ointments. For chronic rheumatic aches and pains, neuralgia, gout and lumbago have this well-known remedy handy. For the pains of grippe and following strenuous work, it gives quick relief. At all druggists', 25c.

### SURPRISE SHOWER GIVEN NEWLY-WEDS

Mr. and Mrs. Vern Hillyard, Recently Married, Have Unexpected Callers

A delightful surprise awaited Mr. and Mrs. Vern Hillyard, the newly married couple, last Monday night when they were invited to 7 o'clock dinner by their friends, Mr. and Mrs. Roy I. Smith, at their pretty bungalow home on Third street.

A quiet evening was enjoyed up to 9 o'clock by the guests without any suspicion that they were to be honored with anything more exciting, when a throng of young people appeared at the front door as if by magic. There had been no extra bustle of preparation and about the only decoration of the sitting room was a bunch of red, white and blue sweet peas. Therefore what followed was a great surprise to the honorees.

After the first burst of greeting and surprise to the newly-weds, it was very evident that a premeditated shower and whist party was on the program for the evening.

Packages of varying size were deposited on a table in the next room and the young bride was invited to unfold and appreciate them, which she did while thanking the thoughtful donors for the many useful and beautiful gifts.

In the meantime small tables and chairs were produced and whist games were soon under way.

About 12 o'clock a toothsome luncheon of coffee, sandwiches, pickles and cake was served on the small tables.

The party comprised Mr. and Mrs. Floyd Turner, Mr. and Mrs. Charles Artz, Mr. and Mrs. Arthur Trickey, Misses Mae Eckart, Bess Hannaford, Ethel Monroe, Rowena Coffee, Lydia Cooper, Mabel Rhiel and Orla Pitch; Bud Hannaford, Billy Leinberger, Thos. Sheddon, Harry Rhiel, Mr. and Mrs. Clyde Deardorf, Mr. and Mrs. Vern Hillyard and Mr. and Mrs. Roy I. Smith.

The ladies' first prize was won by Mrs. Charles Artz, the gentlemen's first by Bud Hannaford; the consolations going to Mrs. Clyde Deardorf and Harry Rhiel.

During the evening the company was favored with lively piano music by Mrs. Hillyard.

### TUSTIN PERSONALS

Millard Foster left the early part of the week for a two-weeks' vacation trip in his automobile, to visit relatives and friends in Oakland, San Francisco, Georgetown and Sacramento.

George Christensen has recently been promoted to the office of corporal in the Marine Corps. Both George and Norman belong to the regular Marines. These boys are called "Soldiers of the Sea." Norman is stationed at Mare Island.

Mr. and Mrs. B. H. Sharpless and family were visitors to Whittier Thursday evening, to attend a wedding party.

Dr. C. V. Artz of Los Angeles, is a guest of W. B. Artz, at his home on Bryan street, this week.

Mrs. C. N. Jones will entertain her cousin, Mrs. Tillie Anderson of Los Angeles, for the weekend.

Evelyn Willard, daughter of Mrs. Charles Willard, now of Los Angeles, is spending the week with Misses Anita and Irene Preble.

Mrs. Ella Lindsay of Los Angeles, is visiting her son, Hollis Lindsay, and family this week. She returned last Tuesday with Mrs. Hollis Lindsay, who was a delegate to the Los Angeles Presbytrial.

Mr. and Mrs. N. S. Long were guests of Mr. and Mrs. A. D. Turner on Wednesday.

Mr. and Mrs. T. A. Chelson and family, Misses Dorothy, Muriel and Minnie Chelson and Eugene Chelson of Los Angeles, were guests of Mr. and Mrs. C. H. Cooley for the day on Saturday.

Mr. and Mrs. S. W. Suddaby visited friends at Downey last Saturday afternoon.

Mrs. Ollie Boggs and Miss Lela Gallaway of Long Beach, were guests of Mrs. S. W. Suddaby last Saturday.

Mr. and Mrs. J. B. and Lester Isbel of Brea, were guests of Mr. and Mrs. J. C. Isbel on last Sunday. The party enjoyed a trip to San Juan Hot Springs.

Mrs. E. C. Dietrick returned Wednesday from a five weeks' trip to Long Island, Kansas, to visit her mother, who has been quite ill. The mother is but slightly improved.

Mr. and Mrs. John Kiser and family were visitors at San Onofre Saturday and Sunday. They were guests of Mr. and Mrs. Pilgrim.

Mrs. D. L. McCharles was a visitor to Los Angeles last Friday.

Rev. and Mrs. W. S. McDougal, Mrs. H. A. Allen, Mrs. S. E. Tingley and Mrs. Hollis Lindsay were visitors to Los Angeles Monday, to attend the meeting of the Presbytrial.

Mrs. Frank Stearns and Miss Eva Stearns are guests of Mrs. Ray Lambert at Lemon Cove.

Miss Adeline Brin and Mr. Rolph of Los Angeles, were guests of Mr. and Mrs. C. H. Cooley last Sunday. Miss Sue Greenley was a guest of Mrs. Clyde Deardorf last Friday.

### GOOD WORK IS DONE AT ALL-DAY MEETING

The members of the W. H. and F. M. Society of the Tustin Advent Christian church accomplished a wonderful amount of work at their all-day meeting last Tuesday, at the home of Mrs. Squires.

Each lady brought a simple lunch and the work was laid aside for a time at the noon hour to partake of refreshments. The hostess gave a surprise at the close of the luncheon by serving ice cream and cake.

This society has a very efficient work committee by whom all the purchasing, planning and cutting is done, and by that means the work is facilitated. The committee comprises Mrs. C. Squires, Mrs. Alice Fewell, Mrs. A. R. Dresser and Mrs. Crane.

The next meeting will be held in two weeks from that date, at the home of Mrs. Sears.

### SAN DIEGO MAYOR VISITS TUSTIN

Mayor Louis J. Wilde of San Diego, recently elected to the office, was a guest of Mrs. Emma Colgan on Monday. Mr. Wilde is a nephew of Mrs. Colgan. He was accompanied by Mrs. Wilde. They were visiting relatives in Los Angeles and came out for the day with Mrs. Colgan and her boys.

On a recent trip to Sacramento Mr. Wilde was reminded that "the incoming mayor must take the oath of office within twenty days following the election and the time expired at midnight of that date. Mr. Wilde called up Allen H. Wright, city clerk, and asked him to read the oath of office. A notary public assisted the clerk and the legal end of the case was attended to by a Sacramento official.

### HAS EBELL TEA

A pleasant afternoon was enjoyed by the neighbors of Mrs. W. J. Saunby, at the Ebells tea at her home last Saturday afternoon.

The visitors brought their needle work and babies and these afforded plenty of amusement for the afternoon.

Two small tables were laid from which the hostess served tea and delicious accessories.

## Doctor Warns Public

SAYS CERTAIN TABLETS, PILLS AND POWDERS OFTEN DO MORE HARM THAN GOOD

Recommends New Prescription for Sick, Out-Of-Order Stomach

Many people who suffer from stomach trouble in its various forms, states a prominent stomach specialist, are in the habit of taking peppermint candy tablets, artificial digestants, after-dinner pills and all sorts of cheap medicines. These may give temporary relief, but, as most stomach ills are caused by acidity, these preparations are not indicated. The fact that a medicine is good to taste, or put up in candy form to make it good to eat, does not always indicate that it is good for you. These powders or tablets are not always effective—the stomach will not absorb them as quickly as a liquid remedy. By continuing the use of these concoctions, a slight acidity of the stomach may develop into chronic gastritis, or some other serious trouble. If you have stomach trouble, you should take a real medicine for it. You can avoid to a great extent,

the fear of eating what you like and the misery of a sick, out-of-order stomach, by taking one teaspoonful of the remarkable new prescription "Stumaze" in a little water after meals. This preparation, in my opinion, is the greatest anti-acid and stomach re-builder ever put out. Hundreds, who have used "Stumaze" testify to its value in relieving gas, pain after eating, sour belching, stomach, bad breath, indigestion and dyspepsia, almost magically. Users make special mention of the fact that "Stumaze" acts as a wonderful tonic, helping nature to make good red blood and healthy steady nerves. There is in "Stumaze" that direct and immediate help, which all stomach sufferers need and appreciate. Any first-class druggist can supply you with this remarkable new health-builder. Be sure you get "Stumaze" in liquid form. There is no substitute for it.

## Do Business at Home

There are hundreds of swindlers always on the go who take good people's money for periodical subscriptions and move on to the next town to spend it. Usually these confidence men offer magazines at greatly reduced prices.

You can never buy the kind of subscription you want, at cheaper prices from any stranger than through your own newsdealer.

Don't pay money for subscriptions—to people you do not know. Least of all at scalper's rates, way below the publisher's printed prices. Your dealer pays rent and taxes and lives within reach, which guarantees that your subscriptions will be properly placed with the publisher. Also he is on the spot as the publisher's agent when anything goes wrong. DON'T YOU GET "STUNG"

# THE WORLDWIDE CONFLICT HIS SUBJECT

Lecture Before Chautauqua at  
Orange Deals With Atti-  
tude of Nations

Arthur Walwyn Evans, nephew of David Lloyd George, in a lecture at the meeting of the Orange Chautauqua, gave out some first-hand, unadulterated information on the war and the causes underlying the worldwide conflict.

Though Dr. Evans' lecture, entitled "What America Means to Me," is full of appreciation for the country he now calls his home, the eminent Britisher dealt some terrific blows against what he called the attitude of "arrogance, lordliness and hauteur" which he said England is heir; the "class distinction of Germany" and the "conceitedness of America."

Arthur Walwyn Evans' lecture is said to be one of the most impartial that is being delivered on the Chautauqua platform anywhere in America. Born and bred a foreigner and now a resident of the United States, Dr. Evans sees both sides of the conflict.

Speaking of the causes of the war, he said:

"Do you know that there were men in England up to fifty years of age who had never seen a German until they met one in the trenches? Why, I was sixteen when I had my first glimpse of a German. The same situation prevails in the case of the Ger-

man and Englishmen; the Italian and the Austrian.

"As a Britisher, I was taught in my childhood that the German and the Frenchman were my enemies, and that I must be prepared always to fight them. I remember once when I received a set of tin soldiers as a gift. Upon opening the box I discovered the label 'Made in Germany.' I knew at once that those soldiers were my enemies. I proceeded to take them out in the back yard where I stood them up, their faces against the fence. Then I gathered the largest rocks I could find and bombarded them beyond all recognition. It happened that my mother, who had a very canny way of appearing when she was least wanted, entered the scene at this time, and as you say in your newspaper war reports, 'The enemy attacked us with their right wing and inflicted serious damage to our rear.'"

"And the German—he is taught from the cradle that 'Germany is a land surrounded entirely by enemies.' Austria and Italy are brought up similarly. I stood upon the heights of Austria and saw the huge fortresses pointed upon Italy. I could cross over and see the English dreadnaughts belching continuous smoke in preparation for what—imaginary enemies. If we had enjoyed the confidence and trusted Germany as you and Canada have faith in each other, this war would not have been."

Speaking of the actual horrors of trench life, Dr. Evans said:

"Fifteen hundred Welshmen in my own immediate home section in Wales left for the front at one time. They were working in the fields peacefully when the banner 'Your Country Needs You' waved. They left almost immediately. In the trenches these men fought, standing at times up to their waists in blood and water. For seven days they could not leave their positions for fear of the enemy. There was no sleep during all this time, and the trench rats added to their fright. Only fifty-seven of them were ever accounted for and most of these were removed to insane asylums."

"Then I think of the Siberian women with babies in their arms dying of the typhus; the thousands of Armenians dying through starvation, and all because they chose to believe in the man we all worship as God in preference to the heathen Buddha; and the Belgians who are grateful for a plate of thin soup."

"Yet you here, in America, are growling and complaining of hard times. Your very hardest times would be Heaven to Europe at any time, not to mention the present. I'll bet you had three meals today; and tomorrow morning you will go down to your buckwheat cakes and coffee as usual."

Capitalizing his subject, Dr. Evans paid a glowing tribute to the spirit of brotherhood in the United States.

"I want to say that the spirit of fraternity in this country is something I am proud of. The Italian works with the Irishman, and the Englishman works with the German. The other day I joined a lodge. That evening I met a big blond German, a very typical Teuton. Instead of reaching for my sabre I gripped his hand and said, 'Hello, Bill!'"

"I have an English friend in Cincinnati, and we go not to see the Reds play ball. We root for them, too. You needn't laugh—anybody can root for a winner. Well, it was the ninth inning. There was a man on second and another on third and we were one run behind—as usual. Heine Groh came waddling to the plate, swinging two bats. Heine is Cincinnati's third baseman, you know. Immediately my English friend got up in his seat. 'Com'on now, Heine,' he shouted. 'You struck out last time; but never mind, Heine, we'll forgive you for that. Look at that man on third and another on second, Heine. Only one down, Heine, and all we need is a long fly. Don't be afraid of that bone-headed pitcher, Heine; he ain't got nothing on the ball. Step right into it, Heine—There she goes! What's that—a foul? Never mind, that's only one strike, Heine; we're all here and we're all with you. You'll soak this next one, sure. Now, Heine! Now! There she goes, past the center fielder. Whoa—Heine! Good night, nurse; they won't find that ball until morning!'"

Dr. Evans stopped a moment. Then, pointing his finger at his audience he brought home his strongest argument: "Can you conceive of a British Tommy in a trench rooting for a Heine in the opposite trench?"

"That's what I mean by fraternity in America. When we have that spirit throughout the world, there will be no more wars."

Now that the first rush of

Unreasonable Buying

is over it is well for both the consumer and the merchant that we consider the future. For this reason we are offering for this week's specials the following goods at less than the present wholesale prices.

Fancy Dry Limas, lb. ....15c

## NEWS NOTES FROM WESTMINSTER

### MISSIONARY TELLS OF WORK IN SIAM

Declares Great Damage is  
Done by Shippers  
of Whiskey

WESTMINSTER, May 10.—Dr. Mary Irwin, a returned missionary from Siam, gave a very interesting talk to the Woman's Missionary Society, at the Presbyterian manse Wednesday afternoon, to a good sized audience. She told of the work being done by the missions and hospitals for the Siamese people, and for the lepers among them, many of whom are cared for on a small island by thousands.

There are over eight million people in Siam, and one doctor to over 200,000 people, with about twelve thousand cases treated in one year by each. Every patient who enters the hospital learns something of the religion of Jesus Christ before leaving.

Dr. Beach of Siam, she said, has made some interesting discoveries with regard to the hookworm disease, with which many of the natives are afflicted, and what was attributed to stupidity is really the result of this disease.

Mrs. Irwin had with her two of the native dresses, woven by the Siamese from cotton raised by them. These she draped over one of the young ladies present to show how they were worn.

One great hindrance to the work of missions, she said, was the quantities of liquor sent into the country; one of four or five firms in one of the large cities shipping in 1,000 cases of Scotch whiskey a month and the others as much or more. One work the missionaries accomplished is to show the people that all Americans are not like the traders who initiate them in liquor drinking and gambling.

Mr. and Mrs. L. E. Rich, Mr. and Mrs. Fairbanks and son and Vivian Rich went to Long Beach Sunday afternoon, bringing back with them Miss Leila Rich, who spent several days at the home of her uncle, H. B. Rich.

Mrs. Forrest Rich had the misfortune last Friday to step on a shingle nail, which entered the ball of her foot making a painful wound.

Dr. E. S. Reed is spending the week in Long Beach, with relatives.

Mr. and Mrs. Edward Ruether and daughters, Mabel and Gladys, motored to Hynes on Tuesday to see Mr. Ruether's mother, Mrs. Fred Ruether, who leaves this week for a two months' visit in Williamstown, Mass.

Mrs. Ross Wilson of Havilah, is visiting her sister, Mrs. Chas. Parr. They spent Tuesday visiting friends in Alamitos.

The night school for the Mexicans, held Monday and Thursday nights of each week is doing a good work. The school, which is free, is taught by Mrs. Wm. E. Stanley and Miss Pansy Knoll, the latter being one of our busy school teachers. The attendance is somewhat irregular owing to the Mexicans being continually on the move. English is taught on the week nights. On Sunday evenings they have Bible study. Rev. B. Mendosa, of Santa Ana, has charge of this district, and Mr. Celso Esparza directs the work here.

Mr. and Mrs. Ed Finley and family and Miss Edie Toogood spent Sunday at Long Beach.

The children of Mr. and Mrs. O. Day are having an attack of measles. Mrs. Smithling returned Saturday from Long Beach, where she has been caring for her daughter, Mrs. Hughey, who is much better but still in the hospital.

The Y. M. C. A. Spartan Club of this place, consisting of seven members who took the examinations several weeks ago, all passed with good marks. There were 101 in the county who received over 70%, and whose papers have been sent to New York.

"TIZ" FOR SORE, TIRED FEET—AH!

"Tiz" Is Grand For Aching, Swollen, Tender, Calloused Feet Or Corns

"Tiz" makes my feet smaller."

—Ah, what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, sweaty feet. No more soreness in corns, callouses, bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz."

"Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions.

Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it.—Advertisement.

### WORK UPON OCEAN DISCUSSED AT C. E.

Donald McMillan Gives an Interesting Address at Sunday Meeting

WESTMINSTER, May 10.—Donald McMillan, Christian Endeavor superintendent of the floating work for this county, gave an interesting talk Sunday evening to the C. E. Society at the Presbyterian church. He had a chart showing the number of vessels in the different departments of the navy and number of men on them, and told of the work being done by the C. E. Societies.

There are only three chaplains for the fifty war vessels on this coast, with only one chaplain boat. There is no opportunity for religious service except when in port, for 20,000 to 35,000 men.

The Endeavorers are helping to maintain seamen's rests at San Diego and San Pedro. Reading room, beds and lockers are provided for the sailors, and meetings are held. Mr. McMillan said the United Society wanted to change the "Floating Work" to "Army and Navy Work," but the southern counties do not favor the change.

ALETHEA CLUB GIRLS AT ENJOYABLE AFFAIR

The Alatheia Club initiated a new member, Lucille Sundow, on Tuesday after the regular meeting. Then the girls, accompanied by their leader, Miss Knoll, went on a hike to the home of Florence Kerr, and enjoyed a wienie roast around a bonfire, seated on hay. Besides wienies they had buns, sweet and sour pickles, potato salad, bananas, marshmallows and cake. After supper they told stories and played games till eight o'clock when they started for home. Those present were Florence Kerr, Lydia Toogood, Velda Barnes, Marguerite Wright, Lucille Sundow, Fern Byram, Adele Johnston and Miss Knoll.

ATTEND CONVENTION

Those from this place who attended the Sunday School convention at Huntington Beach Saturday were Mrs. Harry Penhall, Mrs. Clyde Day, Mrs. J. H. Walton and Mrs. Francis Penhall from the Methodist Sunday School, and Mrs. S. C. Thompson, Misses May Poglee and Laura Thompson, and Herman Thompson from the Presbyterian school.

CHURCH NOTICES

WESTMINSTER, May 10.—Methodist Sunday School 10 a. m.; preaching 11 a. m. Epworth League 7 p. m. Subject "Epworth League Anniversary Services," leader Miss Pansy Knoll. Preaching 8 p. m. Prayer meeting Thursday 7:30 p. m.

Presbyterian Sunday School 10 a. m.; preaching 11 a. m. Christian Endeavor 7 p. m. subject "Fellowship with God." Consecration meeting postponed from last week; leader O. B. Byram. Sermon 8 p. m. Prayer and Bible study Thursday 7:30 p. m.

HIDE WORTH MORE THAN COW

REPUBLIC, Kan., May 10.—Dave Johnson of Republic in 1895 bought a 1,200-pound cow for \$15. This week he sold the cow's hide for \$15.57, or more than the price of the cow in 1895.

MOTHERHOOD WOMAN'S JOY

Suggestions to Childless Women.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is the ability to correct sterility in the cases of many women. This fact is well established as evidenced by the following letter and hundreds of others we have published in these columns.

Poplar Bluff, Mo.—"I want other women to know what a blessing Lydia E. Pinkham's Vegetable Compound has been to me. We have always wanted a baby in our home but I was in poor health and not able to do my work. My mother and husband both urged me to try Lydia E. Pinkham's Vegetable Compound. I did so, my health improved and I am now the mother of a fine baby girl and do all my own house work."

—Mrs. ALLIE B. TIMMONS, 216 Almond St., Poplar Bluff, Mo.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential and helpful.

BABY QUEEN OF ROSE FETE AT SANTA ROSA CROWNED BY BURBANK

SANTA ROSA, May 11.—Little Miss Julia Katherine Edwards was crowned juvenile queen of Santa Rosa's annual Rose Carnival here this afternoon. Hundreds cheered and did homage to the little queen as Luther Burbank, famed plant wizard, placed the wreath of high position upon her head.

The crowning of the little queen was followed by the flower show and baby show at which Queen Julia and her retinue of tiny courtiers presided with a dignity and grace befitting the occasion.

Tonight a big juvenile chorus, gathered from Sonoma county's schools, will render a patriotic concert in the open air from an immense platform erected in front of the Sonoma county court house.

### WORK UPON OCEAN DISCUSSED AT C. E.

Donald McMillan Gives an Interesting Address at Sunday Meeting

WESTMINSTER, May 10.—Donald McMillan, Christian Endeavor superintendent of the floating work for this county, gave an interesting talk Sunday evening to the C. E. Society at the Presbyterian church. He had a chart showing the number of vessels in the different departments of the navy and number of men on them, and told of the work being done by the C. E. Societies.

There are only three chaplains for the fifty war vessels on this coast, with only one chaplain boat. There is no opportunity for religious service except when in port, for 20,000 to 35,000 men.

The Endeavorers are helping to maintain seamen's rests at San Diego and San Pedro. Reading room, beds and lockers are provided for the sailors, and meetings are held. Mr. McMillan said the United Society wanted to change the "Floating Work" to "Army and Navy Work," but the southern counties do not favor the change.

Poplar Bluff, Mo.—"I want other women to know what a blessing Lydia E. Pinkham's Vegetable Compound has been to me. We have always wanted a baby in our home but I was in poor health and not able to do my work. My mother and husband both urged me to try Lydia E. Pinkham's Vegetable Compound. I did so, my health improved and I am now the mother of a fine baby girl and do all my own house work."

—Mrs. ALLIE B. TIMMONS, 216 Almond St., Poplar Bluff, Mo.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential and helpful.

BABY QUEEN OF ROSE FETE AT SANTA ROSA CROWNED BY BURBANK

SANTA ROSA, May 11.—Little Miss Julia Katherine Edwards was crowned juvenile queen of Santa Rosa's annual Rose Carnival here this afternoon. Hundreds cheered and did homage to the little queen as Luther Burbank, famed plant wizard, placed the wreath of high position upon her head.

The crowning of the little queen was followed by the flower show and baby show at which Queen Julia and her retinue of tiny courtiers presided with a dignity and grace befitting the occasion.

Tonight a big juvenile chorus, gathered from Sonoma county's schools, will render a patriotic concert in the open air from an immense platform erected in front of the Sonoma county court house.

# Stop Your Heavy Feed Expense

With The Waterloo Boy Kerosene Tractor

Because it is simple in construction; powerful in operation; economical in service; and is sold under a strong guarantee. The Waterloo Boy Tractor embodies the experience of more than 20 years in building high-class farm power machinery. Its success is beyond question. Pulls three 14-inch plows; 8-ft. double disc harrows; 15-ft. orchard cultivators. Write for catalogue.

The Endeavorers are helping to maintain seamen's rests at San Diego and San Pedro. Reading room, beds and lockers are provided for the sailors, and meetings are held. Mr. McMillan said the United Society wanted to change the "Floating Work" to "Army and Navy Work," but the southern counties do not favor the change.

ALETHEA CLUB GIRLS AT ENJOYABLE AFFAIR

The Alatheia Club initiated a new member, Lucille Sundow, on Tuesday after the regular meeting. Then the girls, accompanied by their leader, Miss Knoll, went on a hike to the home of Florence Kerr, and enjoyed a wienie roast around a bonfire, seated on hay. Besides wienies they had buns, sweet and sour pickles, potato salad, bananas, marshmallows and cake. After supper they told stories and played games till eight o'clock when they started for home. Those present were Florence Kerr, Lydia Toogood, Velda Barnes, Marguerite Wright, Lucille Sundow, Fern Byram, Adele Johnston and Miss Knoll.

ATTEND CONVENTION

Those from this place who attended the Sunday School convention at Huntington Beach Saturday were Mrs. Harry Penhall, Mrs. Clyde Day, Mrs. J. H. Walton and Mrs. Francis Penhall from the Methodist Sunday School, and Mrs. S. C. Thompson, Misses May Poglee and Laura Thompson, and Herman Thompson from the Presbyterian school.

HIDE WORTH MORE THAN COW

REPUBLIC, Kan., May 10.—Dave Johnson of Republic in 1895 bought a 1,200-pound cow for \$15. This week he sold the cow's hide for \$15.57, or more than the price of the cow in 1895.

MOTHERHOOD WOMAN'S JOY

Suggestions to Childless Women.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is the ability to correct sterility in the cases of many women. This fact is well established as evidenced by the following letter and hundreds of others we have published in these columns.

Poplar Bluff, Mo.—"I want other women to know what a blessing Lydia E. Pinkham's Vegetable Compound has been to me. We have always wanted a baby in our home but I was in poor health and not able to do my work. My mother and husband both urged me to try Lydia E. Pinkham's Vegetable Compound. I did so, my health improved and I am now the mother of a fine baby girl and do all my own house work."
